A LITTLE ABOUT ME

Hello, I am excited to be your teacher. This will be my 35rd year of teaching. I have taught 1st, 2nd, 3rd, and 4th grades. I am an Alumni of CSUF where I received my degree in Child Development. My husband and I have three, wonderful adult children, Heather 30, Grant 25, and Brandon 24. Teaching is my passion and I promise to love your child as if they are my own. Let's go Tigers!
