Course Description

Students will learn and practice skills to communicate in the English language. These skills will be developed through lessons in listening, reading and writing.

Course Goals

To prepare students to communicate every day in the English language.

- 190+ points on CASAS
- 2 EL Civics test passed
- Test/quizzes with 70+%
- Final oral and written test with 70+%

Course Objectives:

Listening: Show understanding of simple words, participate in face-to-face conversations and respond correctly to emergency commands.

Speaking: Answer and ask simple questions and express basic needs.

Reading: Demonstrate understanding of letter sounds and read simple sentences.

Writing: Write and transcribe numbers, words and short phrases legibly.

Career and College Readiness: Write basic personal information on simple forms and demonstrate basic oral or written communication in English.

Technological Skills: Show understanding of digital language, use a mouse and begin developing keyboarding skills.
