

# EPIC KIDS

## Free!! Before School Workshops

Tuesdays and Thursdays Before School from 8:30 a.m. – 9:00 a.m. on the following dates:

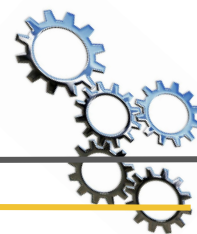

October: 11, 13, 18, 20, 25, 27

November: 1, 3, 8, 10, 15, 17, 29

December: 1, 6, 8, 13, 15

*We skip November 22, 24 due to Thanksgiving Break*

### *Creative Studio—Lessons in Studio Art*

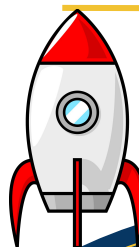

Creative Studio is a class that focuses on the fundamentals in studio art. Students are taught about different art mediums and styles such as Abstract Art, Still Lives, and Portraits.

### *Mini Medics (MM) – Medical Careers and Organ Systems*

This class teaches basic concepts related to medicine and the medical field. Through hands-on-projects, students will become more familiar with medical careers and organ systems.

### *Rocket Racers (RR) – Aerodynamics forces, concepts and prototype building*

Rocket Racers is a class that focuses on aerodynamics to build 5 different types of rockets that students are able to launch.

### *Reaction Time (RT) – Chemical Reactions (chemistry, biology, and physics)*

This class teaches basic concepts related to chemical reactions. The program starts with the scientific method and focuses on lab groups to incorporate SEL into chemistry labs.

### *Illustration Station (IS) – Storyboarding and Story Art*

This class teaches basic concept sin storyboarding and story art through a hands-on step by step process to construct characters and plot.

### *Robotics Workshop (RW) – Hardware and Software of Robotics*

This class teaches the basics of robotics hardware and software to manipulate robots.

If you're interested in registering for the EPIC Kids workshop please fill out the permission slip on the back of this form and return it to the front office as soon as possible, as space is limited.

## Specialized Career Development Fun: Focused Science Labs and Art Studios

at

### Ramona Junior High

Join us for the specialized career development fun:

Focused science labs and art studio classes allow you to invest in your future and develop specific skills.

Competitions will be conducted in science lab analysis, medical skills labs, robotics and rocket creations, art masterpieces and more.

**Tuesdays/Thursdays**

**Dates: Oct. 11, 13, 18, 20, 25, 27**

**Nov. 1, 3, 8, 10, 15, 17, 29, Dec. 1, 6, 8, 13, 15**

**SKIPS: Nov. 22, 24**

Program is free for students but space is limited and a \$10 refundable deposit fee is required to reserve a spot.

Deadline for reservations online: Friday, Oct. 7th
