Request for Support

Legacy Academy utilizes PBIS to establish and maintain a positive school culture. We expect all OWLS to be **RESPECTFUL, RESPONSIBLE, and SAFE** at all times. Our staff is diligently working on getting expectation posters created and posted around the campus. Parents can support Legacy Academy's expectations by using the PBIS language at home.

Be Respectful	Be Responsible	Be Safe
Raise your hand when you want to speak or ask questions.	Stay on task.	Keep hands, feet, and objects to yourself.

did you know? _____

Behavior Codes are based on the grade level expectations.

A Star is given if behavior met expectations for the day.

This can include a student who earned a code, but was able to correct the behavior and erase the code.

Behaviors not meeting classroom or school expectations will earn a note in the agenda. This is to let you know what did not meet expectations. Please talk about ways to improve the behavior at home. Every day is a new day!

Second Graders earn marks of 4, 3, 2, and 1 on the report card in relation to how well they are achieving the Common Core State Standards for second grade.

4-Excelling at the Standard

3-Achieving the Standard

2-Progressing/ Partially Meeting the Standard

1-Beginning/ Standard Not Met

CVUSD Student Performance Levels

4 - Excelling: Students at the Excelling level of performance are consistently performing at grade level, can demonstrate independence, and can extend the grade level standards, when applicable, expected at this point of the school year.

3 - Achieving: Students at the Achieving level of performance demonstrate an adequate understanding of and ability to apply skills needed to meet grade level standards at this point of the school year.

2 - Progressing: Students at the Progressing level of performance are partially meeting the grade level standards expected at this point of the school year.

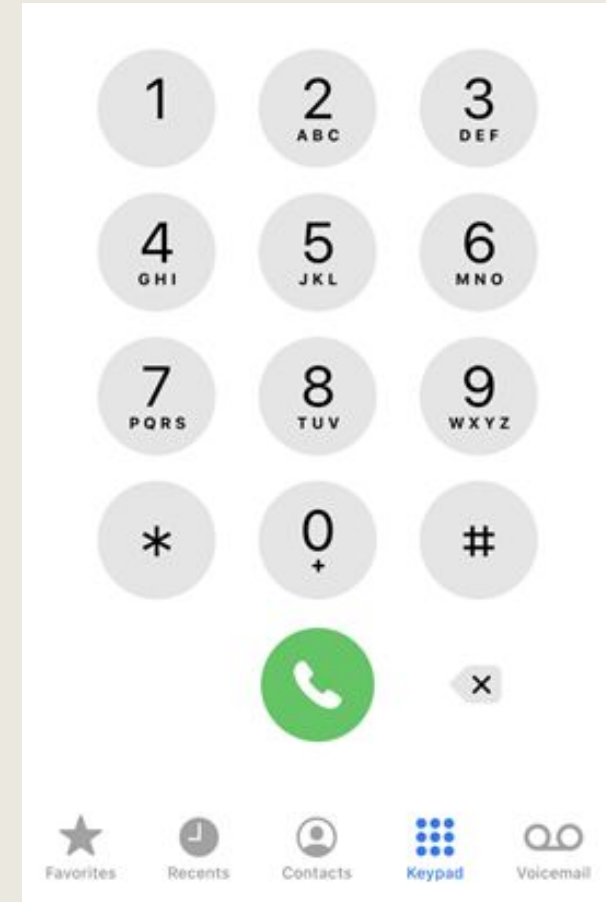

1 - Beginning/Standard Not Met: Students at the Beginning/Standard Not Met level are not yet meeting grade level standards expected at this point of the school year.

Attendance

- Students are expected to be at school (unless it is an excused reason). Each day of school should provide an important learning experience, and if your child(ren) are not in class, they miss the learning continuity.
- Board Policy requires a parent verification of each absence within 5 school days of the student's return to school. On the sixth day, the absence becomes unverified and cannot be changed. State law requires that each absence be cleared.
- Please contact the office at (909) 364-2319 to report absences.
- Contacting the teacher about an absence is not the same as clearing the absence with the office.

Student Birthdays & Class Treats

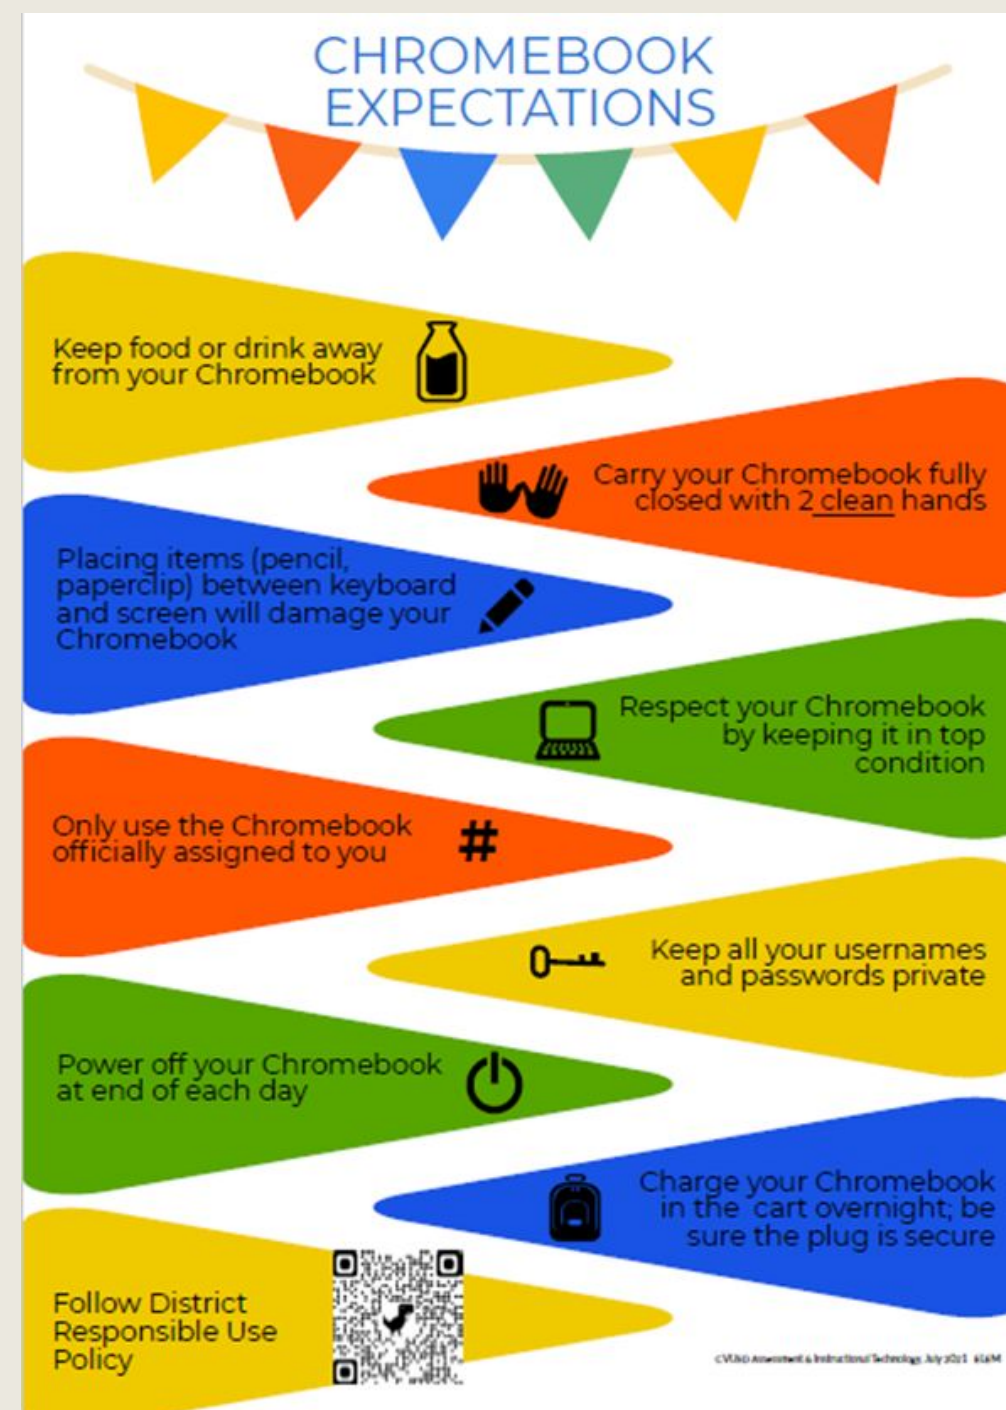

Birthdays can be an exciting time for students, and we want to recognize their special day; our teachers will do their best to verbally recognize birthdays. However, in order to minimize loss of instructional time, and to follow our wellness policy, treats and goodie bags are not to be brought to school. We ask that you do not place a teacher in an awkward position by asking them if you can have a party or bring in cupcakes, cakes, goodie bags, etc.

Gifts/balloons/flowers should not be sent to the school. If these items are brought to school, they will remain in the office until the end of the day.

Chromebooks

- Students in **Kinder - 3rd grade** have access to their Chromebook in the classroom.
- Charging towers/cabinets are in each room so they can be charged at night.
- Students in **4th - 8th grade** can take their Chromebooks home to assist with homework.
- Devices should be charged at night so they are ready to go each morning. Charging cords can be kept at home.
- Chromebooks are checked out to students through our textbook checkout system.
- The district offers a device protection plan for lost and damaged devices.
