Local Control Accountability Plan

January 25, 2024

OUR OBJECTIVES FOR TODAY

- Understand how the Local Control Funding Formula (LCFF) works and supports the District's Local Control Accountability Plan (LCAP) goals
- Review Chino Valley Unified School District's four LCAP goals and related actions and services ³
- Provide input on the LCAP/SPSA goals and actions

What is the Local Control Funding Formula (LCFF)?

Every student generates a base grant which funds basic educational costs, such as: employee salaries, building costs, and instructional materials.

BASE GRANTS

Low income, English learners, and foster youth/homeless, generate additional funding, above the base grant (20%) to increase and improve services and achievement for these specific groups.

SUPPLEMENTAL GRANTS

Districts with more than 55% low income, English learners, or foster youth/homeless receive an additional 50% of the base grant.

CVUSD does not qualify for concentration grants.
