Attendance

- Students are expected to be at school (unless it is an excused reason). Each day of school should provide an important learning experience, and if your children are not in class, they miss the learning continuity.
- Board Policy requires a parent verification of each absence within **5** school days of the student's return to school. On the sixth day, the absence becomes unverified and cannot be changed. State law requires that each absence be cleared.
- Please contact the office at **(909) 393-4087** to report absences.
- Contacting the teacher about an absence is not the same as clearing the absence with the office.

Online Meal Application

We encourage households who participate in the Free or Reduced-Price Meal Program to re-apply for benefits for the 2023-2024 school year regardless of the CDE's approval for free meals. This will ensure the continuation of free or reduced-price benefits in the event CDE lifts their approval for free meals.

The California Department of Education (CDE) has approved free meals for all students attending in person learning. All students will continue to have access to free, healthy, and nutritious meals in the 2022/2023 school year.
