Kindergarten Families,

We are excited to have our first group of Owlets start their educational journey at Legacy Academy. Kindergarten Orientation will be held in two parts this year to accommodate the many details that have gone into opening a new school. We thank you in advance for your partnership and look forward to a fantastic school year!

On the first day of school, you will walk your student to the kindergarten gate located on the east side of the campus between 7:50 and 8:00 am. Our fantastic Kindergarten teachers will greet you at the gate and allow **one adult per kindergarten student** to enter the kindergarten playground. You will line up with your student and walk with them at 8:00 am when the teachers take the students to their classrooms. The gate will be closed and locked at 8:00 am. For safety, we are unable to accommodate siblings in the classroom and can only have one adult per kindergarten student.

For about 10 minutes you will have the opportunity to help your child find their seat, take a picture, and see the classroom. After that, our teachers will have everyone say goodbye and parents will be escorted off campus through the kindergarten gates. A welcome letter will be sent home on the first day. Our teachers will share important information regarding their classroom at Back to School Night, so please put it on your calendar now.
