Course Description

The Specialized Academic Instruction (SAI) Integrated Math 2 class is designed to meet the graduation requirement for mathematics. Common core state standards (CCSS) are being implemented to ensure the success of all students. This course satisfies 5 credits per semester. Three years (30 credits) of math are required for graduation and a 2.0 cumulative GPA from all four years at CHHS.

If you have concerns or questions, the best way to contact me is via email. If you need help with projects, assignments and/or studying for tests let me know and I will do my best to assist you. I can also set up lunch tutoring or coordinate with your Study Skills teacher when appropriate.

Suggested Materials

- Textbook
- Spiral notebook
- Scientific calculator (Cell phones not allowed)
- Writing materials (pencils, colored pens, highlighters)

Grading Policy

1. Grades are based on the following percentages:
 - 60% - Assessments (district final, chapter tests, quizzes)
 - 20% - Class participation and Notebook Check
 - 20% - Homework, classwork, and projects
2. Chapter Tests will be given at the end of each chapter.
3. Quizzes will be given after one or two lessons.
4. Homework assignments will be given from Monday through Thursday. There will be a 1-point deduction for every day late.
5. You are required to take daily notes. It is your responsibility to get and copy the missed notes into your notebook in the correct place.

6. District final exams are given at the end of each semester.
7. Your final grade will be based on the total points earned at the end of the semester. The scale is as follows:

90% - 100% = A
80% - 89% = B
70% - 79% = C
60% - 69% = D
0% - 59% = F

Classroom Rules

1. Follow all school rules. This includes district dress code and phone policy.
2. Respect others and everything (i.e. name calling, teasing and damaging personal property is not acceptable).
3. Be on time. You should be in your seat when the second bell rings or you will be marked tardy.
4. Be honest. Cheating of any type will result in a zero on the assignment or test for both parties involved.
5. No eating, drinking (except for water), and throwing paper is allowed in my class.

Consequences

Breaking classroom rules will result in one or more of the following: a warning, a detention, a phone call home, or a referral to an assistant principal. The punishment will be determined according to the severity of the infraction and your prior history of behavior in my classroom.

Hall Passes

You will be given 6 bathroom passes every six weeks. Unused passes may be turned in at the end of every 6-week grading period for extra credit (2 points per unused pass).

AERIES Parent Portal

Your grade will be updated on the Aeries gradebook. It will be emailed to your parents weekly.

“Education Code Section 49011 (a) states: ‘A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity.’”

Cut and return signed for 10 points

We have read and discussed the course syllabus and class information.
