 Tuesday and Thursday: 1:35-2:20 PM

Course Description

This Integrated II class is designed to meet the graduation requirement for mathematics. Common core state standards (CCSS) are being implemented to ensure the success of all students. This course satisfies 5 elective credits per semester. Three years (30 credits) of math are required for graduation and a 2.0 cumulative GPA from all four years at CHHS. That means you want a C or better in every class so you can graduate on time. If you have concerns or questions, the best way to contact me is via email. If you need help with projects, assignments and/or studying for tests, let me know and I will do my best to assist you.

Suggested Student Materials

- Computer Access to my Webpage
- 1 Spiral Notebook
- Calculator
- Ruler
- Lined and Graph Paper
- Pencils

“Education Code Section 49011 (a) states: ‘A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity.’”

Course Expectations

1. This class benefits from your **attendance** and participation. You can contact me anytime Wednesday and Friday from 7:30 AM-8:15 AM and Tuesday and Thursday from 1:35-2:20 PM for immediate feedback. Assignments are due every Friday and must be submitted online. You can take a picture, scan, or email documents directly to my email. Attendance must be turned in daily under Google Forms.
2. Assessments will be given on Monday’s.
3. A course notebook is required for this course. It will be checked before each test. You must write/type notes daily and/or print notes and collect in a notebook.
4. The academic integrity and dishonesty policy including plagiarism, fabrication, academic dishonesty and cheating bind all students enrolled in this course.

Classroom Rules

1. Follow instructions given by the teacher, when given.
2. Respect others and everything (i.e. name calling, teasing and damaging personal property are not acceptable).
3. Come to class prepared (with assignments done or in the process.), ready to learn and finish work in a timely manner

Grading Scale

Your final grade will be based on the total points earned at the end of the semester. The scale is as follows:

<p>90% - 100% = A 80% - 89% = B 70% - 79% = C 60% - 69% = D 0%-59% = F</p>	<p>60% - Assessments (tests, quizzes, projects, labs) 40% - Assignments (homework, participation, classwork)</p>
