

Notice regarding training at Chino Valley Unified schools

The Chino Police Department has graciously offered to provide the latest in campus intruder training at our school sites in Chino, Chino Hills, and Ontario during the course of the 2016/2017 school year.

The training will be held one time at each school site, and after or before regular or non-student school hours. Several police officers will be on campus during the training and there will be limited loud noises.

We plan to locate the training as far away from campus activities and programs that take place before and after school hours as possible.

School administrators asked for the training for staff after going through the training this summer. It is not in response to any recent or perceived threat.

We are grateful for our continued partnership with Chino Police Department.
