

Dear Parent,

I am pleased to tell you that you now have access to the Pearson Realize Math Website. Pearson Realize is the math curriculum used in Chino Valley Unified School District for grades K-5. You will be able to use this website in order to view videos of the lessons that your child is learning in school and to print homework assignments if needed. I encourage you to explore this website to support your child with math at home.

- Go to www.pearsonrealize.com
- Click on Sign In and enter the following information:

- Username _____

-Password _____

- Click on programs and select the Topic and Lesson that you would like to view.
- To watch videos of lessons simply click on the eye icon.

I hope you find this a helpful resource in assisting your child to *Soar to Success* in CCSS mathematics!
