## In Chino Valley Unified School District

---

Across the country, secondary students are planning their schedules for the upcoming school year. With course selection on everyone's mind, we at AVID want to share some good news about the AVID students in Chino Valley Unified School District.

---

Of the most recent **AVID graduates in Chino Valley Unified School District...**

**97%**

met four-year college  
entrance requirements

**74%**

took at least one  
Advanced Placement,  
International Baccalaureate, or  
Advanced International  
Certificate of Education course

Taking the exam after completing an AP course is just one example of how your students are demonstrating commitment to rigorous academic preparedness. Nationally, only 39% of the Class of 2019 took at least one AP Exam. In contrast, **64% of AVID seniors from the Class of 2019 in Chino Valley Unified School District achieved this milestone.**

Whether it's Advanced Placement, International Baccalaureate, Advanced International Certificate of Education course, dual enrollment, or other forms of rigor such as taking Algebra or other high school credit-bearing courses while in middle school, your AVID students are accepting academic challenges to achieve their college and career goals.
