Be Positive – ready to learn and think for yourself

Be Attentive – participate by listening and staying on task

Be Responsible – for your assignments and your actions

Be Respectful – of yourself, your peers, and of me, your teacher

Be Safe – participate in class activities with safety and instructions in mind

Consequences

1. **Warning:** the teacher provides a verbal reprimand/reminder to student.
2. **Seat Changed:** moved or separated from the rest of the students
3. **Parent Contact:** student fills out a reflection page, PBIS form 1st offense filled out, and phone home/loop: parent/guardian will be contacted.
4. **Referral to Administration:** a student will be immediately referred to administration for severe behavior problems.

** If I am ever absent, and a substitute teacher gives a poor report regarding a student's behavior, the student will automatically receive a 30 minute detention.*

GRADES

Parents and students are strongly encouraged to check the **Aeries Parent Portal** on a weekly basis to view the most current grades for EVERY class.

Please have an updated e-mail address on file with the office.

PANTER PERKS INCENTIVE SYSTEM

Panther Perk Student recognition is used for junior high students. Students are recognized for following Schoolwide Expectations which include being responsible, respectful, and safe. Students caught being respectful, responsible, and safe, will be rewarded students with Panther Perks throughout the day. These Perks can later be redeemed for raffle prizes.

GRADING BREAKDOWN

For every day that a student goes out for PE they can earn four (4) points towards their grade. They receive one (1) point for each of the following categories:

- Dressing out
- Stretching
- Warm Up Lap
- Daily Activity

Any lack of participation in these areas will result in the loss of the point(s) for the day accordingly per specified category.

LATE / INCOMPLETE WORK

* My expectation is that **ALL** assignments be completed to a level of proficiency (**70% or higher**) and turned in on time. If an assignment is turned in but proficiency is not demonstrated, the assignment will be returned to the student and the work must be completed / redone until **proficiency** is achieved.

*Work must be turned in on time for full credit.

* Printer and Internet issues are not an excuse for late work. Please make accommodations ahead of time. *Note: Students have access to technology in the library and in the computer lab.*

MAKE-UP POLICY

Student needing to make up absences on dress days or suit cuts to improve their grade can make arrangements with me to run on a Wednesday after school. Every three laps around the field will make up one absence, five laps will make up one suit cut.

ACADEMIC HONESTY

Plagiarism is the taking ideas and writings of another and passing them off as one's own.

In this class, plagiarism includes...

1. turning in another's **work** as one's own
2. **copying** work from a friend before class (or while in another class)
3. copying an **author's exact words** and passing them off as one's own

Students caught cheating or plagiarizing will be given a ZERO for the assignment and will receive an N in citizenship. See Student Handbook.

Please Notice This

ABSENTEE POLICY

When absent on days of getting dressed, the student shall be marked absent in my gradebook and it is their responsibility to make up the points they lost. If absent on a Wednesday please check my website or class agenda for any potential missing assignment. See Make-Up section below for more information.

PARENT NOTES

Should your child have an injury or illnesses, please send a note from a doctor which includes specific dates excusing the student from PE. A note written by a parent can excuse a student from PE for two (2) consecutive days. All notes must be given to both the teacher and health technician in the Briggs Health Office.

SPIRIT DAYS

The last Friday of the month is Spirit day. Students wear college or Briggs shirts.

Each month Briggs will focus on a character theme as we as a school continue to focus on improvement and excellence in school climate and culture.

August – Citizenship	September – Cooperation
October – Commitment	November – Integrity
December – Compassion	January – Respect
February – Confidence	March – Self-Control
April – Team-Spirit	May – Perseverance

CLASS ROUTINE

Students will be expected to dress and participate in class activities on Mondays, Tuesdays, Thursdays and Fridays. Wednesday's students do not dress, and they are expected to participate and complete class assignments and/or notes. We will follow this schedule for most of the trimester. Assessments will be based on effort. It is vital that each student try their best on assessments. For example, on the mile assessment they should not be walking, they should try their best to get the best time possible. The class will also have a health unit where we will be having regular class lecture sessions rather than dressing and going outside.
