

Ruben S. Ayala High School

SCHOLARSHIP BOOK

2021- 2022

Dear Parents and Students:

Welcome to a new school year. The following is the 2021 – 2022 Ayala High School Scholarship Book. The scholarships are listed by “approximate” deadline dates. Scholarships come into the Career Center year-round. Scholarship updates will be posted on the website. It is important for students to apply for a scholarship a minimum of at least one or two weeks before the deadline.

This list is based on the scholarships encountered in past years - New scholarships will come around and some, which are listed, may no longer exist or may have undergone changes during the last few weeks or months.

It is the student’s responsibility to request information and/or applications.

Scholarships marked (LOCAL) will be awarded to students in the local area. These are ones the student has the best chance of receiving. Applications for local scholarships will be in the Career Center or Counseling office.

The following page includes tips for students to help them with their scholarship hunting.

Good luck,
AHS Counselors/Career Center

Don’t Forget FAFSA (Free Application for Federal Student Aid) Official Website: [Fafsa.ed.gov](https://fafsa.ed.gov)

TIME-LINE FOR SENIORS**

SEPTEMBER

1. . **University of California system has eliminated SAT and ACT testing requirement**, many Colleges including private no longer require test scores. Test scores are known as "test-optional" This means that you do not have to send in any ACT/SAT scores with your application but may if you want to.

Testing must be completed by the December test dates (Preferably before).

Some private universities require either the SAT Reasoning Test or the ACT college test.

Register for ACT Tests at www.actstudent.org

Register for SAT Tests at www.collegeboard.com

Our school code is 050563

2. Almost all colleges prefer students to apply online.

OCTOBER

1. Have your parents get their taxes done as soon as possible. Then file your FAFSA online as soon as possible at <http://www.fafsa.ed.gov/>
2. Some private colleges require a CSS/Financial Aid PROFILE be completed on line starting October 1st. There is a nonrefundable \$25 fee and \$16 is charged per school. To see a list of the colleges requiring the PROFILE, and to complete it, go to <https://profileonline.collegeboard.com/index.jsp>
3. Take the SAT or ACT if needed.
4. Prepare college applications.
5. Write a good essay for your applications (if needed). Have it checked out for errors--get help from teachers and parents!
6. Get letters of recommendation ready to go with your applications (if necessary).

***REMEMBER:** Anyone writing a letter of recommendation needs time to write a good letter! Please give your teacher or counselor plenty of advanced notice when requesting a letter of recommendation. (The counseling office provides forms that you can fill out to give to teachers when asking for a letter).*

NOVEMBER

1. Application submission at the University of California and California State University schools is November 1st thru 30th --GET YOUR APPLICATION IN ON TIME! (Don't wait till the last minute to send your on-line application. The large number of last minute applications could cause computer problems causing you to miss the deadline).

JANUARY

1. The Career Center hosts early registration events with the community colleges to help students get enrolled in community college

Go to the Career Center for more community college information

MARCH

1. FAFSA forms must be filed by March 2nd or earlier. Some schools have earlier deadlines.

REMINDER: Listen to classroom announcements and check the Ayala website for updates.

TIPS FOR SCHOLARSHIP HUNTERS

How to Win a Scholarship

Students that win the most scholarships are students who know how to research scholarship opportunities. They are prepared and organized in the application process and know how to write a unique and compelling personal statement/essay. Here are more tips:

1. Start early and check with your counselor or the Career Center often throughout the year.
2. Check for new & updated information online, or for updates in your English classes.
3. Take the SAT and or ACT tests early (many scholarships require SAT/ACT scores).
4. Listen to the classroom announcements, read the bulletin, and check the website.
5. Use the computer system in the Career Center/Library to gather scholarship information. (Do this early in the year to meet deadlines).
6. Register with scholarship search engines – it only takes a few minutes and they do all the work for you FREE of charge (check privacy settings); check out the links at the end of this bulletin.
7. Check with clubs, unions, churches, etc. that you and family members belong to, for scholarship information.
8. Look in newspapers and magazines for scholarship announcements.
9. Write, call or visit the financial aid office of the colleges, universities or other schools to which you plan to apply.
10. Have parents check with their employers.
11. Find out if you are eligible for benefits from the military if you are the child or grandchild of a veteran.
12. BE WARY OF COMPANIES THAT WANT YOU TO PAY THEM FEES OR BUY EXPENSIVE BOOKS FOR SCHOLARSHIP INFORMATION. YOU CAN PROBABLY GET THE SAME INFORMATION FROM AHS SOURCES OR THE INTERNET FOR FREE! Find out about Scholarship Scams at: https://search.usa.gov/search?utf8=%E2%9C%93&affiliate=ftc_prod&sort_by=&query=scholarship+scams&commit=Search
13. Many private colleges require the CSS Financial Aid PROFILE Form be filed, on line, early in the year. Go to collegeboard.com for a list of these colleges and to file.
14. Be sure to file a FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) between Oct. 1 - March 2 for state and federal grants and scholarships. (You need to file these forms even if you do not think you will qualify for government aid, as all college financial aid offices use the student aid report to determine eligibility for other types of scholarships as well. The fact that you don't qualify for government aid may mean that you do qualify for something else.) Paper copies of the FAFSA are no longer sent to the schools. You will need to submit your FAFSA via the internet! Apply at: www.fafsa.ed.gov

15. Apply early to colleges (November 30 deadline for Cal. States and U.C.'s). For Private Universities, checks with each one individually; some have rolling or later admission dates.
16. If applying to Private Universities, check to see if there are any special financial aid forms required by them.
17. **Be Prepared** – strive for academic achievement – if your grades are not perfect then aim to show progress through an upward trend in your marks.
18. **Get Organized** – Once you have the scholarships for which you want to apply, keep track of the deadlines.
19. All schools offer their own scholarships. Check their website when you apply.
20. **Remember, scholarships are not likely to just come to you -- you have to go out and get them**
