WHY FIDM?

ACCREDITATION

FIDM is a WASC- and NASAD-accredited, specialized, private college with campuses in Los Angeles and Orange County, California.

INDUSTRY CONNECTIONS

Our Industry Partnerships are with some of the world's most recognizable and influential brands. Via Classroom Partner Projects and FIDM SuperLabs™, students generate innovative design and business solutions for companies like Nike, L'Oréal, Pottery Barn, Warner Bros., Disney, GUESS, and Zara, giving students the opportunity to collaborate with companies and put what they're learning in the classroom to work.

CAREER DEVELOPMENT

Part-time work and internships with companies like Athleta, Sephora, Mattel, Dolce & Gabbana, and Victoria's Secret go hand-in-hand with the curriculum. Our Career Advisors work one-on-one to match students with the best career opportunities while they're in school and after they graduate, including access to our alumni job search database with more than 8,000 job postings annually.

STUDY ABROAD WITH STUDY TOURS AND EXCHANGE PROGRAMS

We specialize in intensive, short-term Study Tours, study abroad experiences that combine opportunities to learn from industry professionals, foster cultural enrichment, and provide an overview of global design industries that relate to FIDM programs. Some Study Tours are built directly into the curriculum, while others are optional and open to all students or to specific majors.

Students may participate in an Exchange Program to spend a term living abroad studying at one of our partner institutions in cities such as Rome, Copenhagen, London, New Delhi, and more.

ADVISORY BOARD

The FIDM Advisory Board is composed of renowned industry leaders, including Tim Gunn, Diane Von Furstenberg, Colleen Atwood, and GUESS Founders Paul and Maurice Marciano. They bring their wealth of experience and leadership to the college, helping to guide and to shape the curriculum to meet the ever-changing needs of the industry.

STUDENT LIFE

A student population of 3,600 from around the world enjoys the benefit of a variety of student organizations and activities on campus.

SCHOLARSHIPS

Hundreds of thousands of dollars in scholarship money is available for new and current FIDM Students. Scholarships are offered based on a varying combination of qualities such as academic merit, financial need, industry experience, artistic achievement, and club affiliations.

Scholarship recipients are expected to be particularly strong and positive leaders while in attendance at FIDM, excelling academically and representing FIDM well within the community. Many scholarships are determined through review of Admissions application materials. Certain competitive scholarships have additional requirements.

Scholarships are subject to change. Some scholarships are awarded for the first year only. Many scholarships are renewable for up to 4 years by maintaining a 3.0 GPA, consecutive attendance, and 12 units quarterly at FIDM. Students may qualify for more than one scholarship but not to exceed the cost of tuition, books, and supplies.

HOUSING

Acclimate to college life and a new city, meet new friends, attend fun events, and network with other students with our Housing options.

FIDM STUDENT HOUSING

Student Housing is available for the Los Angeles campus. While Student Housing is not a dorm, we do manage the individual units with the privately owned and operated apartment properties. All housing units are 2-bedroom, 2-bath premium apartments and conveniently located. Private rooms are available at double the cost.

Resident advisors live on site and regularly visit each unit to help students transition to living with new people, learn about FIDM's resources, appreciate diversity, and respect the housing policies.

To apply, simply complete the Housing Application online, pay the fees, and move in. Units are fully furnished with utilities paid, making the transition to FIDM much easier!

For additional information about the quarterly Student Housing fees and other aspects of FIDM Student Housing visit go.fidm.edu/housingFAQs.

INDEPENDENT LIVING

For students who want to live independently, we have apartment referrals for the Los Angeles and Orange County campuses on FIDM.edu. Those looking for roommate referrals can find them via the FIDM Portal for accepted students.

LEARN MORE

Whether you're planning to live in Student Housing or independently, the FIDM Housing Office can help you find the options tailored to your needs.
