Robert A. Headland

Robert A. Headland was a past president and charter member of the Kiwanis Club of Greater Pomona and was the Lt. Governor of Division 15 in 1969. Bob was an investment counselor in Claremont and died prematurely at the age of 46 in June, 1977. Bob worked tirelessly with Kiwanis and especially with the youth of the community. He invested a great deal of time and money in helping the needy and deserving young people. Much of this work was not publicly known until after his death when recipients made his assistance known. Robert A. Headland personified the best in Kiwanis and has been sorely missed by all who knew him.
