- Safe School Ambassadors
- SOAR

- Parent University
- School Smarts (Parent Workshops)
- Family Stories (Parent Workshops)
- Parent Partnership Meetings (SSC/ELAC/Bullying/Homework Tips, etc.)

Why a school-wide Uniform Dress Code?

As a community, parents and staff, we have set in place a dress code. We believe that the students should "dress for success". By having a dress code, a lot of unnecessary distractions are eliminated. All students have the same options when it comes to what to wear. The students can still express themselves through their academics in writing, oral communication, art, etc., because at heart, they are all unique individuals with great differences. Once at school, they can focus on learning. The entire dress code policy is available online at www.chino.k12.ca.us/borba.

Anna Borba will be recognized as a community of learners who work together to maintain high expectations and who are focused on the students' growth in all areas.
