Vision

Canyon Hills strives to develop:

The Whole Child

Critical and Creative Thinkers, Innovators and Problem Solvers

Effective Communicators and Collaborators

Globally Aware, Independent, Responsible Learners and Citizens

Mission

Canyon Hills Junior High seeks to continue to build the world's greatest junior high. We are always evolving, committed to change and action through continued personal growth. A dynamic team of teaching professionals works collaboratively to provide a rigorous learning environment personalized to the individual child. Students are encouraged to question and challenge ideas and participate as active citizens, in order to reach their fullest potential as independent, critical thinkers. We aim to provide a safe and orderly learning environment to foster student success. Our school culture reflects a balanced approach that strives to nurture the development of the whole child.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

On October 3, 2019, the Chino Valley Unified School District's (CVUSD) Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 2019/2020-18 which certifies as required by Education Code 60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks in the following subjects: history/social science, mathematics, reading/language arts, and science, (2) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, (3) laboratory equipment was available for science laboratory classes offered in grades 9-12, inclusive.

Textbooks and instructional materials are provided for each student for use in class and to take home. It was determined that each pupil in each school has sufficient textbooks and instructional materials that are aligned to the academic content standards in the core subject areas for the 2019/2020 school year. Additionally, sufficient textbooks and/or instructional materials were provided to each pupil for visual and performing arts.*Please note: In reference to materials not from a most recent State Board Adoption (SBE): In November 2017, the California State Board of Education approved a list of History/Social Science programs for districts to consider for their new adoption. CVUSD elected to continue to use current District adopted materials while further studying program options provided on the SBE list to consider for a future piloting process. CVUSD reviewed current District adopted materials and determined that they meet current history/social science standards. .

School Facility Conditions and Planned Improvements (Most Recent Year)

Chino Valley Unified School District (CVUSD) makes it a priority to maintain safe, clean, and effective school sites for our students, staff, and parents. The safety of students is of paramount importance to CVUSD. In the morning, staff supervision is provided to watch the cafeteria, entrance gates, and school grounds. During lunch and recess times, noon ground supervisors and teachers monitor students to ensure students interact safely. At the end of the school day, staff supervises student dismissal. The staff and student workspaces for this site are cleaned on a regular basis by the school site custodial staff. In addition to regular cleanings, deep cleanings are scheduled and carried out during breaks and vacation periods. The school facility is adequate and has sufficient classrooms, playgrounds, and staff spaces in order to operate efficiently. A planned or recently completed school improvement for this site is a full school modernization project and science lab renovations planned to begin in the 2019/2020 school year. Schoolwide security camera and keyless access system planned for the 2019/2020 school year.

To ensure sites are clean, safe and functional, Maintenance and Operations department staff conduct inspections at the school sites on a continual basis. School sites may also enter maintenance requests by accessing the School Dude system. After the school site request is entered into the system, a work order is generated, and the Maintenance staff works diligently to complete all work orders in a timely manner. The Maintenance team utilized the Facility Inspection Tool (FIT), a survey instrument developed by the State of California Office of Public School Construction (OPSC), to record inspection results. The District's inspection took place on October 9, 2019, the overall rating of this site's most recent survey is EXEMPLARY, and any associated repairs were completed on or before December 30, 2019.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	58	57	46	47	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

At Canyon Hills Junior High School we recognize that education is a team effort. Our parents and community play an important role in helping our students succeed. The staff, school, and community work together in efforts to improve the educational process. A number of committees exist to focus these efforts, including the staff leadership team, the PLC team, the School Site Council, and the English Language Learners Advisory Committee. Parents also volunteer in teacher's classes and various activities on campus. We are grateful for the support of the Parent Teacher Student Association, Robotics Boosters, and Music Boosters who provide volunteers, funds, and services for numerous activities on campus. Additionally, Coffee with the Counselor (parent information/engagement events) three times per year, AVID, Chess Club, Volleyball Club, Career Fair, and numerous other parent supported activities that seek to involve parents and the community. Our school posts current information on the school website, and sends emails to students and parents, sends home weekly phone blasts and engages with families by accessing social media outlets including Twitter and Instagram.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Each school has a detailed School Site Safety Plan for emergencies that is annually reviewed, updated, and discussed by the School Site Council. The date on which the School Site Safety Plan was last annually reviewed was March 2019, and the plans are reviewed monthly by the School Site Council. Each staff member is assigned a specific responsibility in the event of an emergency. Staff members are trained in the plan's components and procedures. Fire, earthquake, and intruder drills are held on a regular basis so that all students and staff are familiar with emergency procedures. Emergency supplies are located on each campus in the event of an emergency.

Assigned staff monitors school grounds daily before, during, and after school. The District policy regarding campus visitors is enforced by requiring everyone to check in at the school office and obtain a visitor's badge. A visitor sign-in log is located in the school office and all visitors must sign in before going onto the campus. In addition, all visitors must wear an identifying badge while on campus. To increase security, all gates remain locked during the school day, so visitors must enter campus through the school office.

The Chino Valley Unified School District is committed to providing an environment that fosters health and safety, in both form and function. This commitment extends to the process of developing and maintaining a comprehensive Emergency and Disaster Preparedness Plan as a part of the District's Safe Schools Plan and is evident from the individual site to the overall District. These plans delineate actions to protect all students while they are at school. The plans are designed with the help of security staff members, local law enforcement, local fire, and emergency management, and public health officials as required by Education Code 32280-32282.

Plans are reviewed and updated yearly in accordance with Education Code 32286. These plans include procedures to respond to critical incidents, such as fire, earthquake, or intruders. School personnel practice these drills regularly.

The primary purpose of the Chino Valley Unified School District Emergency and Disaster Preparedness Plan is to define roles and responsibilities at the site and between the site and district office management. The Emergency and Disaster Preparedness Plan establishes the minimum requirements for school and site plans throughout the District. This Plan meets the requirements of the Standardized Emergency Management System (SEMS) as mandated by California Code of Regulations, Sections 2400-2450, and the National Incident Management System (NIMS) as mandated by Government Code 8607. It also meets the requirements for earthquake preparedness found in Title 5 (California State Education Code, Sections 35295-35297).

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

The Chino Valley Unified School District is committed to high-quality Professional Learning to support the instructional capacity of teachers and leaders. Professional learning opportunities are aligned to CVUSD's Area of Emphasis for 4C's-Critical Thinking and Collaboration; Common Core ELA Shifts; Common Core Math: Standards of Mathematical Practices; NGSS-Elementary-Deepening Understanding of Three-Dimensional Learning of NGSS (Early Transition Phase); Historical Inquiry; Positive School Culture; Timeline Feedback on Formative Assessments; Collaboration Strategies for Students; Building Stronger Connection with Students; Integration of Technology and Use of Digital Tools; Accessing, Processing, and Analyzing Data; and Professional Learning Communities. These areas were identified by the Teaching and Learning Task Force as focus areas for our district in 2019-20. Professional learning opportunities are evaluated through survey results, feedback, and next steps from end-users. Professional learning opportunities are varied in its delivery: district-wide days during school hours, after-school workshops, site-based PD offerings, and volunteer sessions. Implementation for learning is supported through Site-Based PD from Site Administrators and coaching opportunities from Instructional Coaches.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

The District's general fund includes monies for:

1. General operations- services, materials, and support to the general education.
2. Specific education-programs offering appropriate, individualized education to students with special needs.
3. Special projects- monies from agencies (e.g., federal, state) earmarked for specific services.
4. Transportation
5. Maintenance and operations
6. District administration
7. LCFF/LCAP- Serves targeted students of the district See District's LCAP plan located on www.cvusd.k12.ca.us

Each school in the District receives an instructional budget based upon enrollment, programs and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies. In addition, sites may receive program funding for GATE, AVID, CTE, Professional Development, Title I and Title III to provide additional support to the students.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
