

Levi H. Dickey Elementary School

2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Contact Information

School Name	Levi H. Dickey Elementary School
Street	2840 S. Parco Avenue
City, State, Zip	Ontario, CA 91761
Phone Number	909-947-6693
Principal	Patricia Custodio, Ed.D.
Email Address	patricia_custodio@chino.k12.ca.us
School Website	
County-District-School (CDS) Code	36676786101513

2021-22 District Contact Information

District Name	Chino Valley Unified School District
Phone Number	(909) 628-1201
Superintendent	Norm Enfield, Ed.D.
Email Address	Email: There is a common format for e-mail addresses for every district employee:
District Website Address	www.chino.k12.ca.us

2021-22 School Overview

Our mission statement states: We are a community of professionals whose core purpose is dedicated to utilizing a variety of techniques and resources to ensure and facilitate all students' learning and success while enriching and encouraging positive, powerful, and purposeful thinking.

The Levi Dickey staff has internalized the Mission Statement through the implementation of three main programs. One is we are a No Excuses University. NEU is our overall school culture that guides how we do business at Levi H. Dickey Elementary School. Being a No Excuses University school means that we focus on six exceptional systems: a culture of universal achievement, collaboration, standards alignment, assessments, data management, and interventions. As part of these exceptional systems, we routinely implement a Response to Instruction (RtI) twice a year. In this process, we review the progress of every student on campus to ensure their individual academic and behavioral needs are met. On a weekly basis, we ensure our teachers participate in Professional Learning Communities (PLC). During these weekly meetings, teachers are given the opportunity to do grade-level and vertical articulation. In addition, they focus on the 10-12 essential standards that the district has approved for their grade level where teachers plan their lessons and assessments around. Lastly, teachers utilize PLC time to analyze student data to make necessary course corrections in their lesson delivery and tier 1 intervention that occurs daily in their classrooms. Another program that we focus on here at Levi H. Dickey Elementary School that supports the six NEU exceptional systems, is AVID (Advancement Via Individual Determination). The AVID program provides our teachers with various college readiness strategies that focus on writing, inquiry, collaboration, organization, and reading. To ensure positive student behavior is focused upon; which is the last program that we implement at Levi H. Dickey Elementary School, we have implemented Positive Behavior Intervention Supports (PBIS). PBIS allows a school-wide focus on promoting positive student behaviors, as well as, provide students that are in need of more intensive behavioral supports the opportunity to partake in opportunities that are tailored to their individual needs.

In support of our three main programs that Levi H. Dickey Elementary School embodies, we offer an enriched Gifted and Talented Education program, we offer a multi-tiered systems of support in academics and behavior, we offer counseling services, we offer a special education program (RSP only), with the support of the San Bernardino County of Education we offer a pre-school program, and with the support of the City of Chino we offer an after school program named SOAR. Lastly, Chino Valley Unified School District has the H.O.P.E. office on site to support our families in need. Levi H. Dickey Elementary School offers a well rounded system of supports for all of our students to ensure a successful learning experience.

About this School

2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
Permits and Waivers	
Misassignments	
Vacant Positions	
Total Teachers Without Credentials and Misassignments	

2019-20 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2019-20
Credentialed Teachers Authorized on a Permit or Waiver	
Local Assignment Options	
Total Out-of-Field Teachers	

2019-20 Class Assignments

Indicator	2019-20
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On October 1, 2020, the Chino Valley Unified School District’s (CVUSD) Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 2020/2021-15 which certifies as required by Education Code 60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks in the following subjects: history/social science, mathematics, reading/language arts, and science, (2) sufficient textbooks or instructional materials were provided to each pupil enrolled in a foreign language and/or health classes, (3) laboratory equipment was available for science laboratory classes offered in grades 9-12, inclusive. Textbooks and instructional materials are provided for each student for use in class and to take home. It was determined that each pupil in each school has sufficient textbooks and instructional materials that are aligned to the academic content standards in the core subject areas for the 2020/2021 school year. Additionally, sufficient textbooks and/or instructional materials were provided to each pupil for visual and performing arts.

*Please note: In reference to materials not from a most recent State Board Adoption (SBE): In November 2017, the California State Board of Education approved a list of History/Social Science and Science programs for districts to consider for their new adoption. CVUSD elected to continue to use current District adopted materials while further studying program options provided on the SBE list to consider for a future piloting process. CVUSD reviewed current District adopted materials and determined that they meet current History/Social Science and Science standards.

Year and month in which the data were collected

October 2020

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	TK Houghton Mifflin Harcourt; Big Day Pre K Curriculum (Adopted: 2020) K-6 McGraw-Hill School Education; CA Reading Wonders (Adopted: 2017)	Yes	0
Mathematics	TK Houghton Mifflin Harcourt; Big Day Pre K Curriculum (Adopted: 2020) K-5 Pearson Scott Foresman; enVision Math California (Adopted: 2014) 6-8 Houghton Mifflin & Harcourt, Big Ideas Math, Course 1, Course 2, and Course 3 (Adopted: 2015)	Yes	0
Science	TK Houghton Mifflin Harcourt; Big Day Pre K Curriculum (Adopted: 2020) K-5 Houghton Mifflin Company; Houghton Mifflin California Science (Adopted: 2008)*No (See note above) 6 Pearson Scott Foresman; Earth Science (Adopted: 2008)*No (See note above)	Yes	0

School Facility Conditions and Planned Improvements

Chino Valley Unified School District (CVUSD) makes it a priority to maintain safe, clean, and effective school sites for our students, staff, and parents. The safety of students is of paramount importance to CVUSD. In the morning, staff supervision is provided to watch the cafeteria, entrance gates, and playground activities. During lunch and recess times, noon ground supervisors and teachers monitor students to ensure students interact safely. At the end of the school day, staff supervises student dismissal. The staff and student workspaces for this site are cleaned on a regular basis by the school site custodial staff. In addition to regular cleanings, deep cleanings are scheduled and carried out during breaks and vacation periods. The school facility is adequate and has sufficient classrooms, playgrounds, and staff spaces in order to operate efficiently. A recently completed school improvement for this site was the schoolwide security camera system.

To ensure sites are clean, safe, and functional, Maintenance and Operations department staff conduct inspections at the school sites on a continual basis. School sites may also enter maintenance requests by accessing the School Dude system. After the school site request is entered into the system, a work order is generated, and the Maintenance staff works diligently to complete all work orders in a timely manner. The Maintenance team utilized the Facility Inspection Tool (FIT), a survey instrument developed by the State of California Office of Public School Construction (OPSC), to record inspection results. The District's inspection took place on July 7, 2021, the overall rating of this site's most recent survey is GOOD, and any associated repairs were completed on or before December 30, 2021.

Year and month of the most recent FIT report

7/7/2021

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces	X			Room 130: 4. Ceiling tiles are stained
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X

Structural: Structural Damage, Roofs	X			
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rate

Exemplary	Good	Fair	Poor
	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races					
White					
English Learners					
Foster Youth					
Homeless					
Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2020-21 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Levi Dickey Elementary School is committed to supporting parent and community relationships by using the six levels of involvement as part of our partnership for learning practices. The six levels of involvement are:

Parenting: We promote and support parenting skills and the family's primary role in encouraging children's learning at each grade level. We assist personnel to work effectively with our diverse families.

Communication: We utilize a school website, monthly bulletins, phone blasts, parent notices, parent university classes, On the Road to Learning, Readers' Café, Family Literacy Classes, Pastries with the Principal, and progress reports and report cards. In addition, we provide parent classes to communicate to our parents regarding curriculum, instruction, assessments, school programs and student progress and behavior through timely and effective communication. In addition, we pride ourselves in communicating with our parents in ways that fit their needs or English proficiency.

Volunteering: We expand the recruitment of parent volunteers through our community liaison, training, and recognition of family and community volunteers by providing opportunities for families to contribute from home, the workplace, and other community-based sites.

Learning at Home: We promote family involvement in learning activities at home including homework, computer-based learning programs, and other curriculum-related activities.

Decision-making: We include students, parents, and community members as partners in planning and decision-making. This includes reviewing state and federal laws and regulations pertinent to family involvement, School Site Council involvement, our English Learner Advisory Committee (ELAC), Partnership for Learning Committee, and our Parent-Teacher Organization.

Collaborating with Community: We coordinate resources and services for students and families with businesses, agencies, and service organizations. We also utilize the district's HOPE center as a resource for our community in addition to the outreach our community liaison provides.

2021-22 Opportunities for Parental Involvement

Levi Dickey hosts NEU/AVID parent workshops and Pastries with the Principal meetings to help guide our parents through the world of 21st century learning. These workshops offer courses in Math, English Language Arts, Family Literacy, LCAP, Mental Health Awareness, Internet Safety, PBIS (Positive Behavior Intervention Supports) and a community event. These classes will aid our parents in supporting Levi Dickey and their child. Levi Dickey is a No Excuses University and an AVID (Advancement Via Individual Determination) school that prepares our students to be responsible, respectful, safe and college ready. In addition, Levi Dickey focuses on the whole child to ensure a positive learning environment that is fun and educational for every student.

Other opportunities for parent involvement is through various committees held on our site and at the district. Parents can be part of our very active PTO (Parent Teacher Organization). They can do so by attending their monthly meetings or by emailing them at Levi_DickeyPTO@yahoo.com. Parents can also participate in the school's School Site Council, English Language Advisory Committee, District Local Control Accountability Plan Committee, District ESSER III Committee, District English Language Advisory Committee, and District English Language Advisory Committee. Lastly, parents are always welcomed to volunteer in their child's classroom.

2020-21 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students

Hispanic or Latino				
Native Hawaiian or Pacific Islander				
Two or More Races				
White				
English Learners				
Foster Youth				
Homeless				
Socioeconomically Disadvantaged				
Students Receiving Migrant Education Services				
Students with Disabilities				

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions						
Expulsions						

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions

Socioeconomically Disadvantaged		
Students Receiving Migrant Education Services		
Students with Disabilities		

2021-22 School Safety Plan

Each school has a detailed School Site Safety Plan for emergencies that is annually reviewed, updated, and discussed by the School Site Council. The date on which the School Site Safety Plan was last annually reviewed was March 2021, and the plans are reviewed monthly by the School Site Council. Each staff member is assigned a specific responsibility in the event of an emergency. Staff members are trained in the plan's components and procedures. Fire, earthquake, and intruder drills are held on a regular basis so that all students and staff are familiar with emergency procedures. Emergency supplies are located on each campus in the event of an emergency.

Assigned staff monitors school grounds daily before, during, and after school. The District policy regarding campus visitors is enforced by requiring everyone to check in at the school office and obtain a visitor's badge. A visitor sign-in log is located in the school office and all visitors must sign in before going onto the campus. In addition, all visitors must wear an identifying badge while on campus. To increase security, all gates remain locked during the school day, so visitors must enter campus through the school office.

The Chino Valley Unified School District is committed to providing an environment that fosters health and safety, in both form and function. This commitment extends to the process of developing and maintaining a comprehensive Emergency and Disaster Preparedness Plan as a part of the District's Safe Schools Plan and is evident from the individual site to the overall District. These plans delineate actions to protect all students while they are at school. The plans are designed with the help of security staff members, local law enforcement, local fire, and emergency management, and public health officials as required by Education Code 32280-32282.

Plans are reviewed and updated yearly in accordance with Education Code 32286. These plans include procedures to respond to critical incidents, such as fire, earthquake, or intruders. School personnel practice these drills regularly.

The primary purpose of the Chino Valley Unified School District Emergency and Disaster Preparedness Plan is to define roles and responsibilities at the site and between the site and district office management. The Emergency and Disaster

2021-22 School Safety Plan

Preparedness Plan establishes the minimum requirements for school and site plans throughout the District. This Plan meets the requirements of the Standardized Emergency Management System (SEMS) as mandated by California Code of Regulations, Sections 2400-2450, and the National Incident Management System (NIMS) as mandated by Government Code 8607. It also meets the requirements for earthquake preparedness found in Title 5 (California State Education Code, Sections 35295-35297).

D. Other SARC Information

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2018-19 Elementary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students

2020-21 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2020-21 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	

2019-20 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2019-20 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$11,830	\$2,964	\$8,866	\$83,203
District	N/A	N/A	\$8,600	
Percent Difference - School Site and District	N/A	N/A	3.0	-7.2
Percent Difference - School Site and State	N/A	N/A	15.0	-3.3

2020-21 Types of Services Funded

The District's general fund includes monies for:

1. General operations- services, materials, and support to the general education.
2. Specific education-programs offering appropriate, individualized education to students with special needs.
3. Special projects- monies from agencies (e.g., federal, state) earmarked for specific services.
4. Transportation
5. Maintenance and operations
6. District administration
7. LCFF/LCAP- Serves targeted students of the district See District's LCAP plan located on www.cvusd.k12.ca.us

Each school in the District receives an instructional budget based upon enrollment, programs and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies. In addition, sites may receive program funding for GATE, AVID, CTE, Professional Development, Title I and Title III to provide additional support to the students.

2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category

Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

Professional Development

The Chino Valley Unified School District is committed to high-quality Professional Learning to support the instructional capacity of teachers and leaders. Professional learning opportunities are aligned to CVUSD's Area of Emphasis for 4C's-Critical Thinking and Collaboration; Common Core ELA Shifts; Common Core Math: Standards of Mathematical Practices; NGSS-Elementary-Deepening Understanding of Three-Dimensional Learning of NGSS (Early Transition Phase); Historical Inquiry; Positive School Culture; Timeline Feedback on Formative Assessments; Collaboration Strategies for Students; Building Stronger Connection with Students; Integration of Technology and Use of Digital Tools; Accessing, Processing, and Analyzing Data; and Professional Learning Communities. These areas were identified by the Teaching and Learning Task Force as focus areas for our district in 2019-20.

For 2021-23, the Areas of Emphasis are Student Engagement through Collaborative Communication and Professional Learning Communities. Student Engagement through Collaborative Communication includes preparing to engage, listening, engaging and responding, and self-reflection. Professional Learning Communities address the following 4 description questions/student observables: (1) What do we want all students to learn?/Students are aware of the essential standards/learning targets/success criteria (2) How do we know if the students are learning it?/Students use rubrics, reflection sheets, success criteria, to self-assess their learning, and students are provided the opportunity to demonstrate the mastery of their learning through multiple opportunities (3) What will we do if the students are not learning it?/Students participate in differentiated instruction based on not meeting the learning targets (i.e. small group, individual) (4) What will we do when students have learned it?/Students participate in extension based on the mastery of learning targets.

Professional learning opportunities are evaluated through survey results, feedback, and next steps from end-users.

Professional learning opportunities are varied in its delivery: district-wide days during school hours, after-school workshops, site-based PD offerings, and volunteer sessions. Implementation for learning is supported through Site-Based PD from Site Administrators and coaching opportunities from Instructional Coaches. Additionally, professional development is provided for new special education teachers covering areas such as compliance, development of Individualized Education Programs (IEPs), classroom management, and effective instructional strategies. The Special Education Department supports school site staff with Crisis Prevention Intervention (CPI) training regularly as well as options for trainings in areas such as Universal Design for Learning, Collaboration and Coteaching, Writing IEPs for Educational Benefit, and Special Education Training for Administrators. The Chino Teacher Induction Program provides mentor training to its large quantity of in-house teacher-mentors and limited structured professional development for its induction teacher candidates. All mentors are provided two, 5 hour days of synchronous training (combined with asynchronous training due to COVID-19), followed by 9, 90-minute, monthly mentor meetings, for a total of 23.5 hours of targeted mentor training. Induction candidates, then, are provided with 39.5 hours of professional development and individual support as part of their induction program.

This table displays the number of school days dedicated to staff development and continuous improvement.
