

Litel (Gerald F.) Elementary School

2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Contact Information

School Name	Litel (Gerald F.) Elementary School
Street	3425 Eucalyptus Avenue
City, State, Zip	Chino Hills, CA 91709
Phone Number	909-591-1336
Principal	Stephenette Graham
Email Address	stephenette_graham@chino.k12.ca.us
School Website	
Grade Span	K-6
County-District-School (CDS) Code	36676786106611

2024-25 District Contact Information

District Name	Chino Valley Unified School District
Phone Number	(909) 628-1201
Superintendent	Norm Enfield, Ed.D.
Email Address	Email: There is a common format for e-mail addresses for every district employee:

2024-25 School Description and Mission Statement

The "vision" and mission of Gerald F. Litel Elementary School is predicated upon a belief and upon a commitment to our students that ensures a quality program to all our student learners. We, believe the potential of all students may be attained through high expectations, a positive, safe learning environment, in conjunction with meaningful communication with our parents and the Litel community. Litel Elementary School is committed to providing an atmosphere where learning becomes intrinsic, centered on enhancing students' intellectual, social, emotional, and physical gifts. Further, we teach our students to respect others; learn to view the world in a variety of ways; and live with honesty and purpose as contributing members of society. Additionally, Gerald F. Litel Elementary School will provide students with opportunities to think critically, will engage in

2024-25 School Description and Mission Statement

academic discourse, and will prepare our student learners for college and career readiness.

Moreover, Gerald F. Litel Elementary School aspires to educate all students, and we are committed to narrowing deficits for students who struggle. Also, we are committed to teach our students how to become proficient users of technology, and to be able to demonstrate the "4 C's" through creativity, collaboration, critical thinking, and communication. The focus of our faculty is to provide instruction to our students in alignment to the English Language Arts Shifts (1-3), to promote, teach, and provide opportunities for our students to demonstrate critical thinking, to focus on the Standards of Mathematical Practices (1,2,3 4, 5, 6, 7, and 8), and to implement positive behavior supports school wide. Students will be expected to strive to produce quality work, demonstrate understanding of other perspectives by working and/or playing together, and to build content through purposeful and active listening.

School-wide academic SMART goals include the following:

1. 68% of all students will Meet or Exceed Standards within the Mathematics portion on the 2024-2025 CAASPP.
2. 70% of all students will Meet or Exceed Standards within the English Language Arts portion on the 2024-2025 CAASPP.

PBIS goals include the following:

- Tier 1: Data-Based Decision Making
 - o GOAL: By April 2025, we will score a 2 out of 2 on Tier 1 TFI point 1.10 to increase our school site PBIS Data-Based Decision Making.
- Tier 2: Student Performance Data
 - o GOAL: By April 2025, we will score a 2 out of 2 on Tier 2 Feature 2.11 by working with Administration to share student data/progress with all community partners on a monthly basis by identifying the name of the intervention being used and the percentage of students that are positively responding and/or fading out of the current program.
- Tier 3: Data Systems
 - o GOAL: By (external date) we will score a 2 out of 2 on Tier 3 Feature 3.14 by documenting evidence of students receiving a behavior support plan and work with Administration to share fidelity and outcome data with Litel staff and community partners on a monthly basis through the Principal's Newsletter and present the information during monthly staff meetings

Programs that continue to appeal to our student learners include a Walk-Through Colonial America offered to our fifth-grade students. Traditionally, our fourth-grade students travel to the Mission San Juan Capistrano, and they engage in California Days toward the end of the year. In addition, our third-grade students attend a play and at least two other field trips during the school year. Our second-grade students travel to Boys Republic while our first grade and Kindergarten students travel to different field trips based on hands on exploration. Our students in need of tier two support are provided with intervention inside the school day while some of our students will be invited to attend an after-school reading intervention program which is funded by the school. We also, provide forty-five minutes of daily math intervention within the instructional day to support students in improving their understanding of mathematical concepts. In addition, we have a highly popular Science Detectives offered after school which supports students' love of science through exploration, engagement, enrichment, experimentation, and collaboration. Our GATE students have been afforded the opportunity to participate in GATE activities which promote critical thinking and problem solving. Continuing this year will be an after-school GATE Academy which will be offered to our GATE students once a month. The premise of the academy will be to have our students develop designs and construct experiments and learn from trial and error. To extend students' learning and expose them to the arts, we have added after-school programs and clubs such as photography, school newspaper, fine arts, etc.

The "Mission" of Gerald F. Litel Elementary School is to educate all students in an environment that welcomes student diversity and promotes student collaboration. Further, the faculty aspires to lead and to develop instruction as a collective group of learners who recognize that all students are capable of learning more than they did last year. The faculty and staff at Litel Elementary School, in partnership with our parents, believe that student achievement can be attained through a viable, guaranteed curriculum that is undertaken in a safe learning environment where a positive school culture is demonstrated daily. Through teaching and rewarding the school-wide behavioral expectations; the R.O.A.R., students are taught to be responsible, optimistic, accountable and respectful. Gerald F. Litel Elementary School just received accolades earning platinum status as a PBIS school. Additionally, the faculty of Gerald F. Litel Elementary School will continue to develop as a cadre of learners, the faculty will observe one another through our Collaborative Learning Rounds which will emphasize best educational practices and focus instructional strategies that align with the learning intentions and success criteria which will ultimately lead to improve student learning and increase in student achievement for all learners at the school.

CORE BELIEFS

1. All students can learn more than they did last year
2. Positive school climate supports student learning
3. Collaboration, cooperation, and mutual respect are essential to enriching the lives of students

2024-25 School Description and Mission Statement

4. High Academic expectations can be met through excellent teaching and active learning
5. Parents/guardians are our partners in the educational system

About this School

2023-24 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	54
Grade 1	72
Grade 2	85
Grade 3	91
Grade 4	82
Grade 5	86
Grade 6	79
Total Enrollment	549

2023-24 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	49.5
Male	50.5
Asian	28.1
Black or African American	1.6
Filipino	4.4
Hispanic or Latino	38.8
Native Hawaiian or Pacific Islander	0.2
Two or More Races	5.8
White	18.9
English Learners	9.1
Foster Youth	0.2
Homeless	4.7
Socioeconomically Disadvantaged	33.5
Students with Disabilities	13.5

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	18.40	89.35	1103.10	90.57	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	8.40	0.69	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	2.00	9.68	33.50	2.75	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	13.30	1.10	12115.80	4.41
Unknown/Incomplete/NA	0.20	0.97	59.50	4.89	18854.30	6.86
Total Teaching Positions	20.60	100.00	1218.00	100.00	274759.10	100.00

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	25.70	99.42	1120.50	91.33	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	5.80	0.48	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.19	22.50	1.84	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.10	0.39	21.20	1.74	11953.10	4.28
Unknown/Incomplete/NA	0.00	0.00	56.70	4.62	15831.90	5.67
Total Teaching Positions	25.80	100.00	1227.00	100.00	279044.80	100.00

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	25.40	98.15	1093.50	91.97	231142.40	100.00
Intern Credential Holders Properly Assigned	0.00	0.00	11.00	0.93	5566.40	2.00
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.40	1.85	25.50	2.15	14938.30	5.38
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	21.60	1.82	11746.90	4.23
Unknown/Incomplete/NA	0.00	0.00	37.10	3.12	14303.80	5.15
Total Teaching Positions	25.90	100.00	1188.90	100.00	277698	100

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22	2022-23
Permits and Waivers	0.00	0.00	0
Misassignments	2.00	0.00	0.4
Vacant Positions	0.00	0.00	0
Total Teachers Without Credentials and	2.00	0.00	0.4

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22	2022-23
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00	0
Local Assignment Options	0.00	0.10	0
Total Out-of-Field Teachers	0.00	0.10	0

Class Assignments

Indicator	2020-21	2021-22	2022-23
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	0	5.8
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00	0	0

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On September 19, 2024, the Chino Valley Unified School District's (CVUSD) Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 2024/2025-21 which certifies as required by Education Code 60119 that (1) sufficient textbooks and instructional materials have been provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and context of the curriculum frameworks in the following subjects: history/social science, mathematics, reading/language arts, and science, (2) sufficient textbooks or instructional materials were provided to each pupil enrolled in a foreign language and/or health classes, (3) laboratory equipment was available for science laboratory classes offered in grades 9-12, inclusive. Textbooks and instructional materials are provided for each student for use in class and to take home. It was determined that each pupil in each school has sufficient textbooks and instructional materials that are aligned to the academic content standards in the core subject areas for the 2024/2025 school year. Additionally, sufficient textbooks and/or instructional materials were provided to each pupil for visual and performing arts.

*Please note: In reference to materials not from a most recent State Board Adoption (SBE): In November 2017, the California State Board of Education approved a list of History/Social Science and Science programs for districts to consider for their new adoption. CVUSD elected to continue to use current District adopted materials while further studying program options provided on the SBE list to consider for a future piloting process. CVUSD reviewed current District adopted materials and determined that they meet current History/Social Science and Science standards as the state has not adopted these materials. TK materials are from CVUSD's most recent adoption as SBE does not adopt TK materials.

Year and month in which the data were collected

September 2024

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	TK Houghton Mifflin Harcourt; Big Day Pre K Curriculum (Adopted: 2020) K-6 McGraw-Hill School Education; CA Reading Wonders (Adopted: 2017)	Yes	0
Mathematics	TK Houghton Mifflin Harcourt; Big Day Pre K Curriculum (Adopted: 2020) K-5 Pearson Scott Foresman; enVision Math California (Adopted: 2014) 6 Houghton Mifflin & Harcourt, Big Ideas Math, Course 1, Course 2, and Course 3 (Adopted: 2015)	Yes	0

History-Social Science	TK Houghton Mifflin Harcourt; Big Day Pre K Curriculum (Adopted: 2020) K-5 Harcourt School Publishers; Reflections: California Series (Adopted: 2007)*No (See note above) 6 Holt, Rinehart and Winston; Ancient Civilizations (Adopted: 2007)*No (See note above)	Yes	0
Health	N/A		
Visual and Performing Arts	N/A		

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements

Chino Valley Unified School District (CVUSD) makes it a priority to maintain safe, clean, and effective school sites for our students, staff, and parents. The safety of students is of paramount importance to CVUSD. In the morning, staff supervision is provided to watch the cafeteria, entrance gates, and playground activities. During lunch and recess times, noon ground supervisors and teachers monitor students to ensure students interact safely. At the end of the school day, staff supervises student dismissal. The staff and student workspaces for this site are cleaned on a regular basis by the school site custodial staff. In addition to regular cleanings, deep cleanings are scheduled and carried out during breaks and vacation periods. The school facility is adequate and has sufficient classrooms, playgrounds, and staff spaces in order to operate efficiently. A recently completed school improvement for this site is construction of the new administrative office building, modernization of the MPR and school library were all recently completed. Schoolwide, the installation of new HVAC controls and CO2 monitoring sensors were recently installed and completed. Select asphalt areas were repaved.

To ensure sites are clean, safe, and functional, Maintenance and Operations department staff conduct inspections at the school sites on a continual basis. School sites may also enter maintenance requests by accessing the School Dude system. After the school site request is entered into the system, a work order is generated, and the Maintenance staff works diligently to complete all work orders in a timely manner. The Maintenance team utilized the Facility Inspection Tool (FIT), a survey instrument developed by the State of California Office of Public School Construction (OPSC), to record inspection results. The District's inspection took place from October 30, 2024 through November 20, 2024, and the overall rating of this site's most recent survey is GOOD, and any associated repairs were completed on or before December 30, 2024.

Year and month of the most recent FIT report

10/30/2024 - 11/20/2024

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned

	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
English Language Arts/Literacy (grades 3-8 and 11)	69	68	60	60	46	47
Mathematics (grades 3-8 and 11)	66	62	46	48	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	345	331	95.94	4.06	67.98

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
Science (grades 5, 8 and high school)	52.56	48.81	36.02	38.48	30.29	30.73

2023-24 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	84	84	100.00	0.00	48.81
Female	37	37	100.00	0.00	59.46
Male	47	47	100.00	0.00	40.43
American Indian or Alaska Native	0	0	0	0	0
Asian	25	25	100.00	0.00	72.00
Black or African American	--	--	--	--	--
Filipino	--	--	--	--	--
Hispanic or Latino	28	28	100.00	0.00	39.29

Students with Disabilities	18	18	100.00	0.00	5.56

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	100	100	100	100	100

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

A high degree of community involvement, including parent volunteers, business partnerships, and an active PTA work together to enhance the learning environment, and to evaluate and improve the school's programs. Monthly newsletters link families and school together to support "school to home" communication. Also, there is a section in every monthly publication in which our wonderful PTA updates and appraises all parents and community members as to time sensitive information as well as opportunities for parent involvement. A monthly publication, The ROAR Report, is disseminated to parents within the Principal's Newsletter to apprise them of all things current with PBIS (Positive Behavior Intervention and Supports). Also, we use our school social media (Facebook, X, and Instagram) to recognize students and share information with our community. Students are recognized via our Litel website. Further, information is posted almost daily within the Aeries parent Square to update parents on a variety of important topics, dine-out nights, and activities.

Additionally, Litel is a proud partner with our District, and we are excited to recommend the Kindergarten Readiness Academy to our parents. The Kindergarten Readiness Academy was first offered to our parents seven years ago, and it was a rousing success. The parents attended this four week academy with their children and, together, they were able to experience, firsthand, the skills necessary to enter Kindergarten and tackle the Common Core State Standards. Based on parent feedback, support, and attendance, we realized that this was a wonderful way to welcome our students and parents to Litel Elementary School. Further, the parents were able to tour the campus, visit our kindergarten classes, and learn from a former kindergarten teacher. We are optimistic that our academy will continue to grow. This program is now presented at the Family Learning Network partnership which is housed at the adult school. Speaking of Kindergarten, enrollment for our incoming kindergarten students is now offered on-line. In addition, all incoming registered kindergarten students are offered a brief ten to fifteen assessment that informs our kindergarten team as to skills already learned and skills that students still need to practice prior to beginning Kindergarten. Then, this information is shared with parents, and they still have the entire summer to prepare for kindergarten equipped with an action plan of skills to work on or enhance.

Our School Site Council, English Language Learner Advisory Committee, GATE Committee, LCAP Forum, and Safe School Committee are also among the variety of committees that parents, and staff participate in at Litel. We are very fortunate to have parents who see the value in volunteering as evidenced in several ways. Parents assist in the classroom, chaperone field trips, they volunteer to load the buses during and after science camp, they volunteer during our highly successful after school program, Science Detectives, and they bring high and positive energy, and a strong sense of "volunteerism," that we are truly

2024-25 Opportunities for Parental Involvement

fortunate to have them support all our students. Litel Elementary School has a very active Parent Teacher Association involved in the Picture Person Program, membership drives, fundraisers, school events, assemblies, and Family Fun Nights. Parent and student volunteers dedicate thousands of hours to assist our staff in the enhancement of the educational programs at Litel Elementary School. A vital contribution that the PTA made to Litel was their financial backing for the very popular Student of the Month program that recognizes students in an intimate luncheon in which parents are invited to participate in celebrating their children. The students receive two certificates: one for academic recognition and one for a food certificate. The parents and students love this program which is made available through the Herculean efforts of the PTA. The Fun Club daycare program is a partner-in-education program designed to benefit our students and parents. Moreover, the Fun Club has provided extra homework support after school. In addition, The Litel staff acknowledges how very fortunate we are to have the support from the many members of the community for the benefit of our students.

For more information regarding opportunities for parental involvement for the 2024 - 2025 school year, please contact Erin Kelly at (909) 591-1336 or at erin_kelly@chino.k12.ca.us.

For more information regarding opportunities to join and to participate within the PTA, please email PTA President, Jasmine Sosa, and her information is located on the PTA tab heading under the Litel website

For more information regarding opportunities to join our ELAC (English Language Advisory Committee, please email assistant principal, hillary_castillo@chino.k12.ca.us.

For more information regarding our GATE (Gifted and Talented Education) program, please email Stephenette Graham at (stephenette_graham@chino.k12.ca.us)

For more information regarding opportunities to join our School Site Council, please email principal, Stephenette Graham, stephenette_graham@chino.k12.ca.us.

2023-24 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate

2024-25 School Safety Plan

Each school has a detailed School Site Safety Plan for emergencies that is annually reviewed, updated, and discussed by the School Site Council. The date on which the School Site Safety Plan was last annually reviewed was February 2024, and the plans are reviewed monthly by the School Site Council. Each staff member is assigned a specific responsibility in the event of

2024-25 School Safety Plan

an emergency. Staff members are trained in the plan's components and procedures. Fire, earthquake, and intruder drills are held on a regular basis so that all students and staff are familiar with emergency procedures. Emergency supplies are located on each campus in the event of an emergency.

Assigned staff monitors school grounds daily before, during, and after school. The District policy regarding campus visitors is enforced by requiring everyone to check in at the school office and obtain a visitor's badge. A visitor sign-in log is located in the school office and all visitors must sign in before going onto the campus. In addition, all visitors must wear an identifying badge while on campus. To increase security, all gates remain locked during the school day, so visitors must enter campus through the school office.

The Chino Valley Unified School District is committed to providing an environment that fosters health and safety, in both form and function. This commitment extends to the process of developing and maintaining a comprehensive Emergency and Disaster Preparedness Plan as a part of the District's Safe Schools Plan and is evident from the individual site to the overall District. These plans delineate actions to protect all students while they are at school. The plans are designed with the help of security staff members, local law enforcement, local fire, and emergency management, and public health officials as required by Education Code 32280-32282.

Plans are reviewed and updated yearly in accordance with Education Code 32286. These plans include procedures to respond to critical incidents, such as fire, earthquake, or intruders. School personnel practice these drills regularly.

The primary purpose of the Chino Valley Unified School District Emergency and Disaster Preparedness Plan is to define roles and responsibilities at the site and between the site and district office management. The Emergency and Disaster Preparedness Plan establishes the minimum requirements for school and site plans throughout the District. This Plan meets the requirements of the Standardized Emergency Management System (SEMS) as mandated by California Code of Regulations, Sections 2400-2450, and the National Incident Management System (NIMS) as mandated by Government Code 8607. It also meets the requirements for earthquake preparedness found in Title 5 (California State Education Code, Sections 35295-35297).

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	22	1	2	
1	20	3	1	
2	26		3	
3	18	1	3	
4	25		3	
5	25		3	
6	21	1	3	
Other	5	7		

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	13	2	2	
1	17	4	1	
2	18	2	3	
3	20	1	3	
4	20	1	3	
5	20	1	3	
6	14	3	3	
Other	2	1		

2023-24 Elementary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	14	4		
1	18	1	3	
2	21	1	3	
3	18	2	3	
4	21	2	2	
5	22	2	2	
6	20	1	3	

2023-24 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

2023-24 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. The "Other" category is for all other student support services staff positions not listed.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	0.3
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2022-23 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$16,117	\$5,180	\$10,937	\$82,662.39
District	N/A	N/A	\$11,664	\$96,308
Percent Difference - School Site and District	N/A	N/A	-6.4	-15.2
State	N/A	N/A	\$10,771	\$94,625
Percent Difference - School Site and State	N/A	N/A	1.5	-13.5

Fiscal Year 2023-24 Types of Services Funded

The District's general fund includes monies for:

1. General operations- services, materials, and support to the general education.
2. Specific education-programs offering appropriate, individualized education to students with special needs.
3. Special projects- monies from agencies (e.g., federal, state) earmarked for specific services.
4. Transportation
5. Maintenance and operations
6. District administration
7. LCFF/LCAP- Serves targeted students of the district See District's LCAP plan located on www.cvsd.k12.ca.us

Each school in the District receives an instructional budget based upon enrollment, programs and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies. In addition, sites may receive program funding for GATE, AVID, CTE, Professional Development, Title I and Title III to provide additional support to the students.

Fiscal Year 2022-23 Teacher and Administrative Salaries

This table displays the 2022-23 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$56,282	\$56,573
Mid-Range Teacher Salary	\$88,367	\$87,186
Highest Teacher Salary	\$117,849	\$119,665
Average Principal Salary (Elementary)	\$136,284	\$148,486
Average Principal Salary (Middle)	\$137,721	\$154,835
Average Principal Salary (High)	\$158,540	\$170,008
Superintendent Salary	\$329,628	\$338,699
Percent of Budget for Teacher Salaries	33%	31%
Percent of Budget for Administrative Salaries	6%	5%

Professional Development

The Chino Valley Unified School District is committed to high-quality Professional Learning to support the instructional capacity of teachers and leaders. Professional learning opportunities are aligned to the Essential Standards, Positive School Culture; Timeline Feedback on Formative Assessments; Collaboration Strategies for Students; Integration of Technology and Use of Digital Tools; Accessing, Processing, and Analyzing Data; and Professional Learning Communities.

For the 2024-25 school year, the Areas of Emphasis are Student Engagement through Collaborative Communication and Professional Learning Communities. Student Engagement through Collaborative Communication includes preparing to engage, listening, engaging, and responding, and self-reflection. Professional Learning Communities address the following 4 description questions/student observables: (1) What do we want all students to learn?/Students are aware of the essential standards/learning targets/success criteria (2) How do we know if the students are learning it?/Students use rubrics, reflection sheets, success criteria, to self-assess their learning, and students are provided the opportunity to demonstrate the mastery of their learning through multiple opportunities (3) What will we do if the students are not learning it?/Students participate in differentiated instruction based on not meeting the learning targets (i.e. small group, individual) (4) What will we do when students have learned it?/Students participate in extension based on the mastery of learning targets.

Professional learning opportunities are evaluated through survey results, feedback, and next steps from end-users.

Professional learning opportunities are varied in its delivery: district-wide days during school hours, after-school workshops, site-based PD offerings, and volunteer sessions. Implementation for learning is supported through Site-Based PD from Site Administrators and coaching opportunities from Instructional Coaches. Additionally, professional development is provided for new special education teachers covering areas such as compliance, development of Individualized Education Programs (IEPs), classroom management, and effective instructional strategies. The Special Education Department supports school site staff with Crisis Prevention Intervention (CPI) training regularly as well as options for trainings in areas such as Universal Design for Learning, Collaboration and Coteaching, Writing IEPs for Educational Benefit, and Special Education Training for Administrators. The Chino Valley Teacher Induction Program provides initial and on-going mentor training to its large quantity of in-house teacher-mentors and limited structured professional development for its induction teacher candidates. All mentors are provided with New Mentor training, followed by monthly mentor targeted support meetings. These mentor meetings provide coaching support for mentors to address local needs and are organized around supporting new teachers regarding equity, social-emotional learning, promoting teacher self-awareness, providing positive behavioral supports for students, multi-tiered systems of support for students, and universal design for learning. Induction candidates are provided with three hours of targeted program support, fifteen hours of required self-selected professional development, and weekly, one-hour, mentor-facilitated opportunities for individual support with a focus on setting professional goals and offering structured feedback and coaching as part of their induction program.

This table displays the number of school days dedicated to staff development and continuous improvement.

Professional Development

Subject	2022-23	2023-24	2024-25
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2
