

DEVICE PROTECTION PLAN

Have you heard?

The Chino Valley Unified School District now offers a Device Protection Plan! The District Plan covers accidental damage to student Chromebooks or Windows laptops and is designed to limit a CVUSD family's financial liability for any damages as described below.

COVERAGE

Accidental Damage: Pays for accidental damage caused by liquid spills, drops, or any other unintentional event.

Theft: Pays for loss due to theft; the claim requires a filed police report.

Fire: Pays for damage due to fire; the claim requires a filed police report.

Device will be repaired or replaced: At the discretion of the Chino Valley Unified School District, the student's device will be repaired or replaced.

PROGRAM FEE/COVERAGE OPTIONS OFFERED

Device Protection Plan:

- Non-refundable fee: \$40 for the current school year.
- Coverage: Repair/Replacement of school issued device throughout the current school year. Coverage is per student.

Per Incident Fee:

- \$50 fee per incident. Paid at each incident.
- Coverage: Repair/Replacement of school issued device for each incident.

EFFECTIVE COVERAGE/EXPIRATION DATES

Effective Date: Based on the receipt of payment and the completed Device Protection Plan agreement. The process must be initiated at the beginning of the current school year or during the enrollment period of July 1, 2023, through September 30, 2023. It cannot be applied retroactively.

Expiration Date: Last day of applicable school year.

Reporting: Student must report issues to the designated staff member in a timely manner.

EXCLUSIONS

Intentional Damage: The student will be responsible for the full amount of the repair/replacement for intentional acts to the student's device or the device of any other student. This includes throwing, kicking, or other purposeful acts.

Cosmetic: CVUSD *will not* replace a device for purely cosmetic issues that do not affect the functionality of the device.

Misuse: "Jailbreaking" or otherwise voiding the warranty by altering the device.
