Hello Walnut Family!

My name is Jung Choi, and I could not be more humbled and grateful for the opportunity to serve Walnut Avenue Elementary and the community as a new Assistant Principal. I look forward to working closely alongside our Principal, Ms. Gonzales, and our dedicated staff to enhance all students' learning and their soaring experiences.

Before joining the Wolf pack family, I worked as a math teacher and instructional coach in Chino Valley Unified School District. As an educator, I believe in equity, social justice, and relevance. I believe that excellent education should provide equal opportunity for all students and foster intellectual, social, and emotional growth.

I believe building relationships is an essential process and foundational to all. Trust is earned in the small moments through listening, ongoing communication, and gestures that show genuine care. Thus, I am passionate about creating a space to understand a different perspective and learning from everyone around the table. As an administrator and leader, I will choose "courage over comfort, and what's right over what's fast or easy" to successfully support teachers, parents, and students. (Brown, 2018). All in all, it is my honor to be a part of this family and continue to grow.

On a personal note, I have been married for about 15 years to my high school sweetheart Soo-Jin and we have a daughter Irene. Soo-Jin is a 4th-grade teacher and Irene will be going into 3rd grade this school year. When I am not working, I enjoy spending time with my family, and friends.

Please do not hesitate to come and say hi to me, I would love to get to know you!

Sincerely,

Jung Choi | Assistant Principal
