Graduation Cap/Gown and Announcements

You should have already secured your cap and gown package, graduation announcements, and special commemorative products for graduation. You can also order online at www.jostens.com or call (800) 567-8367. Late order forms can be found on Ayala's home page under the Students tab, then Senior Information, then Cap & Gown. You can purchase the cap & gown package which includes everything you will need for graduation or you can borrow a used gown, cap, tassel and medallion from Jostens but you must return everything before you leave the graduation venue to meet your family. If you fail to return the entire package at the end of the ceremony before you leave the venue, you will be charged for the items. You cannot return it at another time. If you have a gown from a sibling or friend, you must bring it in to Ms. Ives for approval.

Gowns from the Class of 2009 cannot be used.

TRADITIONS

The tradition of our graduation ceremony has been established to be one of pride and dignity. Our job is to create a "spotlight" for each graduate and we do not want to deprive anyone of his/her time in the spotlight. The attitude of you, your parents, and your guests must reflect the importance of this occasion. This is a special moment in your lifetime, therefore the graduation will be a formal ceremony that will reflect the standards that we have created at Ayala High School. The success of our graduation is the responsibility of all who attend. **No balloons, large objects, or noise makers will be allowed in the stadium.**
