Counselor Name: _____ Current Grade: _____

The AP program is a college preparatory program that teaches advanced skills to give students the opportunity to earn college credit while in high school and to help students develop the habits to be successful in college. Advanced Placement course syllabi are approved by College Board.

Student: Please read and initial next to each of the following statements. Signatures of the student and parent are required before students may register for AP courses.

I understand that:

_____ AP courses may require a substantial amount of work outside of class for successful completion of the course; therefore, I should carefully evaluate the time commitments and priorities of extracurricular and community activities before I consider enrolling in any course.

_____ Additional homework, summer assignments, and study hours are required in AP program and I agree to dedicate myself in order to be successful.

_____ By requesting AP course(s), I am making a commitment to stay in the course for the entire year.

_____ If at any time, I experience difficulties with the expectations in the AP course(s), I will seek assistance from the professional learning community at my school (teachers, counselors, administrators, and parents who are committed to my success), and I agree, as a member of this community, to the interventions or plan suggested by this community.

_____ I agree to take the AP exams(s) in May. (NOTE: If you qualify for free or reduced lunch, you may go to the Counseling Office to request financial support for the exam fees.)

_____ I will register and pay for AP Exams in October.

PARENT/SIGNATURE

*I have reviewed the AP Course request with my son/daughter and the requests met with my approval. We understand that course requests cannot be changed after May 28, 2021. I have also read and agree with the above **Advanced Placement Course Agreement**.*
