The above student is applying for admission into the Ayala High School AVID program. AVID is a four year College Preparatory program that helps guide average students to succeed in a rigorous curriculum. The overall objective is to provide students with the necessary tools that will enable them to become eligible for college admission. This is done by allowing students to learn organizational, study, and presentation skills. AVID students receive help with SAT preparation, financial aid, and college admission applications. Additionally, students work on critical thinking, get academic help from peers and college tutors, and participate in enrichment and motivational activities that make college attainable.

Please complete the questionnaire.
