

AYALA HIGH SCHOOL
APPLICATION FOR USB LEADERSHIP (4th Period)

Due: March 31, 2025

Please submit the Google Form (there will not be a paper submission)

Interviews will take place between April 7-11, 2025. This will allow us to ask you some questions as well as for you to ask us some questions and get to know us better.

The Executive Board and Mr. Reams will be in the interview with you. Please be sure to check the email you provided on the Google Form regularly so you can find your interview time.

Being in the Ayala USB Leadership Class requires time and effort.

For the USB Class (Period 4) most of the work and planning occur outside of the regular class day. Failure to meet these after school obligations can affect your class grade.

Ask yourself these questions:

Are you academically eligible (2.0) GPA)?

Do you have satisfactory citizenship grades in all classes?

Will you be able to take USB Leadership Class all year?

Can you work by yourself and be responsible for completing your work on time?

Can you speak in front of others?

Can you work outside your comfort zone and be a leader on campus?

You may be asking what the purpose of this Google Form is and why we are asking you these questions. These questions help us understand who you are. The depth/originality of your answers will be strong indicators of your true desire to succeed in Leadership.

The application process is in 3 parts:

- 1) Complete the following Google Form by March 31, 2025

[USB Leadership Application](#)

- 2) Two teacher evaluations – The Teacher Evaluation form is attached below. Please send the evaluation link to 2 of your teachers using their school email. These are due by March 31, 2025.
