

Dear Junior or Senior Applicant,

The Ruben S. Ayala National Honor Society (NHS) would like to welcome and congratulate you on your interest in membership. On our campus, NHS is only open to juniors and seniors. Established in 1921, the National Honor Society has been founded upon four principles: **scholarship, service, leadership, and character**.

To effectively access your qualifications as an NHS member, the applicants should meet the minimum eligibility requirements below.

### I. Scholarship

You must have at least a 3.75 cumulative academic GPA and meet the following class level requirements:

- 9<sup>th</sup>-12<sup>th</sup> grade: enrolled in at least **One Honors or AP level course** each year
- No D or F grades in any course

### II. Service/Involvement –

Students must complete at least 40 hours of community service, 15 hours must be completed through club activities each year. Students should submit specific, **unpaid** community service hours **and** include signature **and** contact information for the leader/advisor. (see Student Activity form)

### III. Leadership –

Everyday Leadership is carrying yourself with dignity and taking ownership and responsibility for your own actions and participation. Everyday Leadership means being an agent—someone who takes action and responsibility.

### IV. Character –

The most elemental quality that a National Honor Society member possesses. A person's character isn't measured at one instant in time but along the continuum of one's life. It is the product of constant action, striving daily to make the right choice.
