

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate about student progress
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom
