The main content area features a sidebar on the left with a red circle around it, containing a list of registration steps: "Family Information", "Student", "Contacts", "Documents", "Authorizations", and "Final Data Confirmation". A red arrow points from the "Family Information" step to the main content area. The main content area displays a confirmation message: "Thank you for completing the Data Confirmation process." Below this, there is a red warning: "Parents or legal guardians of students needing daily medications and/or specialized health care while at school must inform the school nurse or health tech at their child's school. Specific forms and further directions will be given." A "Print New Emergency Card" button is visible at the bottom of the message box.

At the bottom of the page, there is a footer with the text "www version 3.26.2.17" on the left and "Copyright © 1995-2020 Helix Software. All Rights Reserved." on the right.
