The graphic features a blue grid background. At the top left, a green box contains the text "ETS CPP" in white, with "PRESENTS" in a smaller green box below it. The central focus is a laptop screen displaying a poster. The poster has a white background with various icons: a calendar, a lightbulb, a Facebook 'f' logo, a stack of books, the word "HACKS" in large black letters, and a green brain icon with gears. Below the icons, the word "ONLINE" is written in large, blue, 3D-style letters. To the left of "ONLINE", there is a yellow box with the text: "Sessions: posted @ 10am on dates listed" and "Zoom Discussions Live @ 12pm on dates listed". To the right of "ONLINE", there is another yellow box containing a list of dates: "April 11th", "April 18th", "April 25th" on the left, and "May 2nd", "May 9th", "May 16th" on the right. A mouse cursor is visible over the date "May 9th".
