What Are Ima's Scores?

Ima's Evidence-Based Reading and Writing score is 460, and her Math score is 440. In Evidence-Based Reading and Writing, Ima's score exceeds the benchmark, and she is on track for college readiness. In Math, Ima is close to meeting the benchmark. Test scores, cross-test scores, and subscores can give Ima a better understanding of areas to work on.

What Are Ima's Score Percentiles?

Because Ima is in the ninth grade, the percentiles compare her scores with those of all ninth graders in the nation. Ima scored as well or better than 59% of a nationally representative group of ninth-grade students in Evidence-Based Reading and Writing. In Math, she scored as well or better than 49% of a nationally representative group of freshmen. Additional percentiles are available in Ima's online score report.

How Will Ima Do on the SAT'?

The PSAT 8/9, PSAT/NMSQT®, and SAT® are scored on a common scale. Therefore, if Ima had taken the SAT instead of the PSAT 8/9 on the same test date, she would have received the same score. By the time Ima takes the SAT, she will likely have had additional learning from school and practice. Her PSAT 8/9 results can help Ima focus her efforts in high school to be better prepared for the SAT.

What Are Ima's Score Ranges?

Ima's score would likely vary if she took the test repeatedly under the same conditions, even if her skill level remained the same. Her score report indicates her estimated score ranges.
