

## **Medical Paperwork drop off**

At this time, only fall sports (Football, boys and girls water polo, volleyball, Cross Country, and TCC) will be able to drop off their medical paperwork. All documents must be given to me directly prior to starting conditioning. Student athletes must check in and pass the screening with their coach in their pod before bringing me their paperwork. Once cleared at check in, inform your coach that you need to turn in your medical paperwork. Once the coach has released you to bring me the paperwork, come find me on the golf cart either on the football field, pool deck, blacktop by the science building, or on the lower field.

**REMINDER:** If you are not cleared, you will not be able to condition with the team and will be sent home. In order to be cleared I need a current physical signed and stamped by an MD or DO, a completed and signed history page, and the sport specific confirmation page from [athleticclearance.com](http://athleticclearance.com)
