*Tap the kids talking!*

Some people are talking about the  
COVID-19/coronavirus.

The COVID-19/coronavirus  
makes some people feel sick.

Turn the page

Tap the  
germ!

The COVID-19/coronavirus is spread  
by germs. We share germs by  
touching other people and objects.

People who have the COVID-19/  
coronavirus might have a fever,  
cough, or feel tired.

Tap the boy  
talking to his  
dad!

If you feel sick, tell your  
teacher, a nurse or a parent.

*Tap the  
doctor!*

People who have the COVID-19/  
coronavirus should talk to the  
doctor to feel better.

People who have the COVID-19/  
coronavirus should rest at home and  
drink lots of water.

Turn the page

Tap the girl  
washing her  
hands!

I wash my hands to stay healthy.

*Tap the  
hand sanitizer!*

I use hand sanitizer when soap  
and water isn't available.

*Tap the  
personal  
space!*

I give others personal space so we  
both stay healthy.

If I feel worried about the COVID-19/  
coronavirus, I can talk to an adult.

Turn the page

What makes you feel happy?

If I feel worried about the COVID-19/  
coronavirus, I can think about things  
that make me feel happy.

# Germ

Tap a germ!

Germes are tiny, microscopic organisms.  
I can't see them.

I get germs from touching things  
and being around other people.

Turn the page

I share my germs when I touch things and  
am around other people. My germs can

Turn the page

Tap the girl  
keeping her  
hands to herself!

I do not want to spread my germs. I  
keep my hands to myself.

*Tap the personal  
space!*

I give others personal space.

Tap the  
girl washing her  
hands!

I wash my hands and use hand  
sanitizer.

Tap the girl  
coughing into  
her elbow!

When I cough or sneeze,  
I do it in my elbow.

Some germs make me sick.

*Tap the  
boy touching his  
project!*

I get germs from touching things and  
being around other people.

*Tap the  
hand sanitizer!*

I wash my hands and use hand  
sanitizer to make sure I don't get  
other people's germs.

*Tap the food!*

I wash my hands before eating or  
putting something in my mouth so I do  
not get germs.

I do not touch my face.

I drink lots of water.

I take steps to stay healthy and keep  
others healthy.

# School is Closed

(COVID-19)

an interactive, adaptive social story

Created by @Martha\_Speech

My school is closed.

My school closed because my  
principal and teachers  
want to keep me safe.

*Tap one of the  
girls reading at  
home!*

When I stay home, I am not around  
other people who may have the  
COVID-19/coronavirus.

Tap the boy  
resting on the  
couch!

The COVID-19/coronavirus makes some  
people feel sick. They should rest at  
home and drink lots of water.

Tap the germ on  
the table!

The COVID-19/coronavirus is spread  
by germs. We share germs being  
around other people and touching

*Tap an emotion!*

I may feel sad, disappointed, angry,  
worried or happy that school is closed.

I can tell an adult how I'm feeling.

*Tap the family's  
spending time  
together!*

While school is closed, I spend time  
with my family and wait to see my  
friends.

Tap the  
friend on  
video chat!

If I miss my friends, I can ask an  
adult if I can call them on the phone  
or video call. I can make them a

Tap the boy  
learning from  
home!

While I am at home, I may do some  
learning for school.

I can play games with my family and  
read books.

I can ask my parents if we can go for  
a walk or play outside.

Tap the  
girl washing her  
hands!

I wash my hands to stay healthy.

*Tap the  
hand sanitizer!*

If water and soap are not available, I  
use hand sanitizer.

School is closed so that we stay  
safe. I can still have fun at home and  
learn new things!

# Washing My Hands

My hands have tiny germs that  
I can't see.

*Tap the lego the  
girl is touching!*

I get germs from touching things  
and being around other people.

Some germs make me feel sick.

Turn the page

Tap the healthy girl!

I wash my hands get rid of germs and  
to stay healthy.

*Tap the food!*

I wash my hands before eating or  
putting something in my mouth.

I wash my hands after using the  
bathroom.

First, I wet my hands.

Then, I put soap on my hands. Soap helps to kill germs and keep me feeling good.

Tap the  
watch keeping  
time!

I wash my hands for at least  
20 seconds.

After I wash my hands, I dry them with a paper towel so they are not wet.

Turn the page

*Tap the  
hand sanitizer!*

If water and soap are not available, I  
use hand sanitizer.

When I wash my hands,  
I feel healthy and help keep others  
healthy too!
