

Hello 6th Grade Teachers & Students!

Leaders of the Pack

The Leaders of the Pack elective is a full year elective, open to both seventh and eighth grade students who are highly motivated to improve their leadership skills by their involvement in school culture. The class encompasses all ASB responsibilities, including events, yearbook, and celebrations. It is a class of students who are dedicated to meeting the challenges of creating a positive school environment where students truly feel included. Students will design and promote celebrations, rituals, and traditions specifically to honor academic achievement and improvement. The class is composed of multiple committees that will collaborate throughout the year to meet the needs of our campus.

Below is the application timeline for incoming 7th graders for the 25-26 school year. Please distribute to your 6th grade students as soon as possible, as there are strict deadlines that must be met.
