

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement
- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate about student progress
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom

Our Goals for Student Achievement

District Goals - Local Control Accountability Plan (LCAP)

All students are provided a high-quality teaching and learning environment.

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

All students are prepared for college and career beyond graduation.

School Goals

GOAL 1

All students are provided a high-quality teaching and learning environment.

GOAL 2-

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

GOAL 3-

All students are prepared for college and career beyond graduation.

Our school provides high quality curriculum and instruction in supportive and effective classroom environments to enable students to meet state academic standards. We support our students and work hard to provide a welcoming, safe school environment.

Teachers, Parents, Students **Shared Responsibility** for Learning

In the Classroom

As a Fifth Grade teacher, I will engage all students with a vibrant learning climate and high-quality instruction. Listed below are some of the student learning strategies your child will use this year.

Goal #1 and 3:

- ✓ Students will succeed in meeting the Common Core State Standards.
- ✓ Daily writing across all curricular areas using thinking maps.
- ✓ Focused and clear writing for a purpose.
- ✓ Daily questioning addressing the Depth of Knowledge levels 1-4.
- ✓ Cite textual evidence through informational reading.
- ✓ Focus on the 4C's (Communication, Collaboration, Critical Thinking and Creativity).
- ✓ Focus on Standards of Mathematical Practices.
- ✓ Focus on Math Problem Solving Strategies.
- ✓ Learning through productive struggle.

Goal #2:

- ✓ Reinforce PBIS strategies
- ✓ Use Second Step curriculum daily
- ✓ Keep an open communication line with parents and ensure all students are utilizing school agendas.
- ✓ Provide parents and students periodic feedback on progress and performance.

At Home

Here are some ideas of how families can support students' success:

- Talk with your child everyday about school
- Support children with homework as needed
- Ensure your child is in school, on time, everyday
- Report absences to the school as soon as possible
- Read to or have your student read (depending on ability) at least 30 minutes each night.
- Help your child organize school belongings
- Check your child's school agenda each night
- Attend as many school events as possible, especially parent/teacher conferences and Back to School Night.
- Have your child speak to you in complete sentences.
- Read all school communication (email, website, Parent Square, etc.)
- Practice basic addition, subtraction, multiplication, and division facts (depending on grade level) each night.
- Practice grade level site words each night (primary grades).
- Monitor your child's screen time and ensure healthy eating habits and sleep time.
- Play board games which encourage language development and vocabulary along with social family time.
