

Citizen's Oversight Committee Meeting
Construction Update Overview, January 29, 2025

- ***Don Lugo High School – New Admin Building, Kitchen & Pool Renovations***

Construction broke ground over the summer at Don Lugo HS on a series of upcoming projects. The existing administration building was demolished to make way for a new office building. The building has been topped out and grouted, with exterior tie-ins complete. All interior office spaces have been framed in preparation for utility services. In the coming months, modernization of the site kitchen, as well as aquatic facilities, and gymnasium will get underway.

- ***Glenmeade ES – Front Office Relocations***

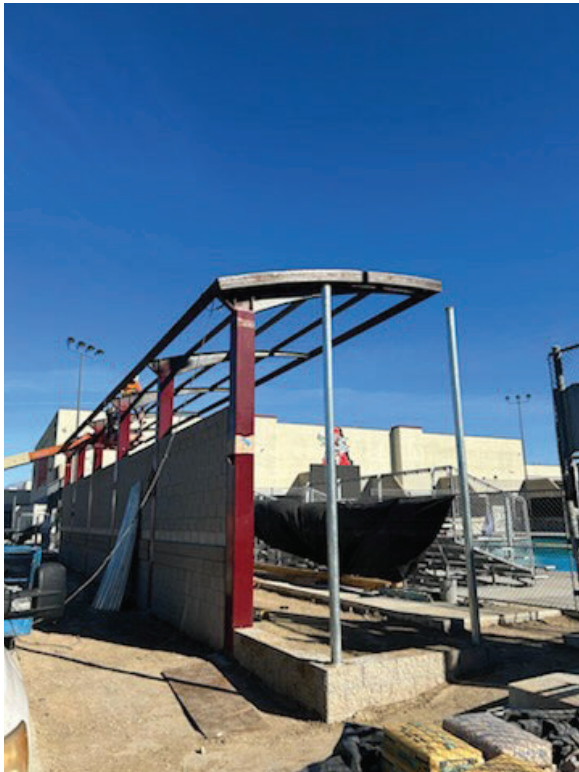

Construction at Glenmeade ES, the last of the front office relocations, was finished in early December as crews brought the grass back to life and the site opened its new library. All work is completed at each of the six front office relocation sites, with campuses being monitored for warranty issues through summer of 2025.

- ***Ayala HS – Aquatic Shade Structure***

Work is near complete on the shade structure at the Ayala HS swimming pool. This project will provide some much-needed shade and shelter for staff, students, and parents during aquatic events, and completes the facilities renovations of the Ayala HS aquatics facility.
