

Welcome to 5th Grade!

August 6, 2021

Dear Families of Room 26,

Welcome to Ms. Husain's 5th grade class! I am so excited to get started on what will be an adventurous and exciting year. I'm looking forward to getting to know all of you in the coming weeks. There will be so many fun things to learn and explore, and I can't wait to get started!

Our class will be using Class Dojo for behavior and class updates. Students will be getting instructions on the first day of school. Please sign up as soon as possible to stay up to date with our class and make sure your

I will be discussing the 5th grade California Common Core State Standards, our classroom behavior management plan, homework, as well as other crucial information in detail at **Back to School Night** on the evening of **Wednesday, August 25th**. During the next two weeks, we will be working hard to establish our classroom routines and adjusting to life in 5th grade. I can't wait for our first day of school on Monday, starting at our new time of 8:05am!

Fifth grade will be a fun and exciting, yet challenging year. However, the team approach of parent, teacher, school, and student will be effective in accomplishing our goal of creating 21st century learners. Thank you for your support and encouragement. Let's all work together to make this year your child's best ever!

Exciting news! We will be one-to-one technology this year in our classroom. Every child will have access to their own Chromebook at their desk. It may be helpful to purchase a mouse and small pair of headphones or earbuds for your child to use and store in our class. This would be greatly beneficial to add to any supplies you may want to purchase for your child.

Please feel free to contact me with any questions, comments, or concerns you may have. You are welcome to email me at sukaina_husain@chino.k12.ca.us, or message me on the ClassDojo app. Be sure to visit our [class webpage](#) on the Country Springs website for announcements, resources and to book your **Parent/Student/Teacher Conference**.

I know we are going to have a fantastic 5th grade year!

Home of the Seattle Mariners,

-Ms. Husain
