

Welcome back to school and an exciting year. I am glad to have you in my class! I believe that success in school depends on cooperation and communication. In order to begin this communication process and to ensure a productive year, my students will observe the following **expectations and requirements** as set forth by the Mathematics Department of Canyon Hills Junior High School.

BE PREPARED TO SUCCEED EVERY DAY! Each day students are expected to bring:

- 1) **CHARGED** Chromebook (with charger)
- 2) Agenda
- 3) Math Workbook (Keep your COVERED textbook at home.)
- 4) Completed Homework
- 5) Useful materials as outlined on page 5 in the student agenda.

*If a student has trouble acquiring these supplies, please do not hesitate to contact the office.

HOMework/WORK HABITS: It is important that students take pride in all the work they do. All assignments must be written on standard-sized, three-hole punched paper. **TO EARN FULL CREDIT, HOMEWORK MUST BE ON TIME, COMPLETE, AND SHOW ALL STEPS!**

CLASSROOM RULES/CONSEQUENCES: Our Math Department will enforce the School-Wide Classroom Behavior expectations as outlined on pages 4-9 in the student agenda. **Remember to always BE SAFE, BE RESPECTFUL, and BE RESPONSIBLE!**

ACADEMIC HONESTY: Students who choose to cheat (copy) on homework, quizzes, tests, etc., you will earn NO CREDIT and your citizenship grade will be lowered for that trimester. Refer to the Academic Honesty Policy as outlined on pages 5-6 in the student agenda.

GRADES: Grades will be weighted in the following manner (CHJHS Math Dept. Policy):

	Math 7	Accel 7 / Math 8	IM1
Assessments	60%	65%	70%
Classwork/Homework/Other	40%	35%	30%
Total	100%	100%	100%

*Standard Grading Scale: A = 90-100% B = 80-89% C = 70-79% D = 60-69% F = 0-59%

Grades are posted online in Aeries. Parents and students are encouraged to follow their progress and achievement weekly. Grades are updated weekly. **Any discrepancies should be addressed immediately!**

ABSENCES: Students are responsible for the content they missed when absent. Students have one day per day of absence to make up all work. It is the student's responsibility to make arrangements to make up tests or quizzes.

Junior high students are expected to advocate for themselves and are encouraged to communicate directly with their teacher. For any further concerns, please feel free to reach out via email.

I am looking forward to a successful year!

Sincerely,

Courtney Mullen

CHJHS Mathematics Department

"Education Code Section 490011 (a) states: A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity."
