

Please follow the directions to access Pearson (math curriculum) online:

- 1. Sign into CLASSLINK
<https://launchpad.classlink.com/chino#myapps>

- 2. Click on PEARSON EASY BRIDGE

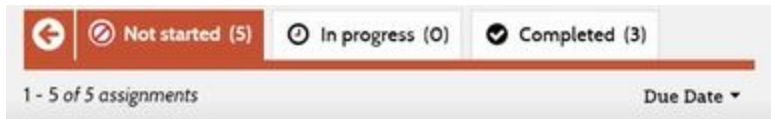

- 3. Click on ENVISION MATH COMMON CORE GRADE 1

- 4. Click the orange button that says CLASSES

5. Then you will see your ASSIGNMENTS displayed like this

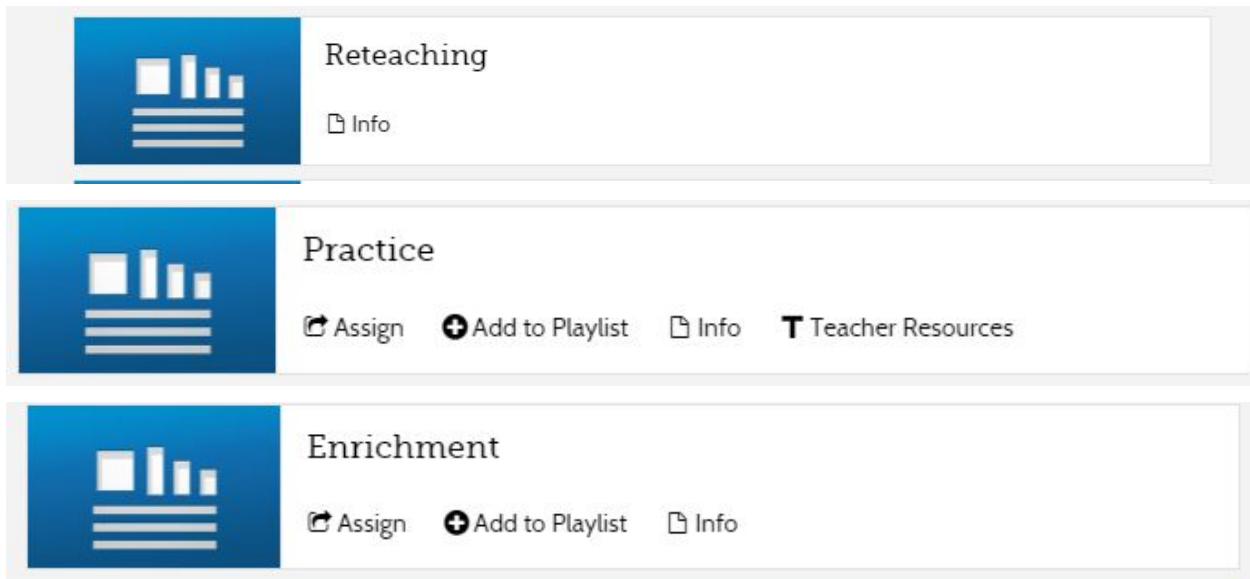

6. First, scroll to find the daily lesson video, the video icon will always look like this.

- This video will be **TURNED IN** when finished

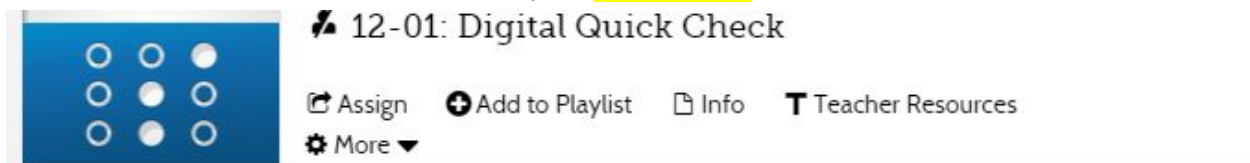

7. Next, click on the various worksheets, RETEACHING, PRACTICE and ENRICHMENT (complete in this order)

- These pages will appear as a PDF and are for **PRACTICE ONLY** (do not need to turn in)
- Please complete them on a blank sheet of paper

8. Last complete the DIGITAL QUICK CHECK

- Student answers will automatically be **TURNED IN** to teacher

9. If you see ADDITIONAL PRACTICE appear after you submit the quickcheck, it is because you answered some questions incorrectly

- Completing this is **OPTIONAL** but recommended
