

AP HUMAN GEOGRAPHY- SUMMER TASKS

INSTRUCTOR: MR. LENTZ

AP HUMAN GEOGRAPHY

Welcome to AP Human Geography. My name is Mr. Lentz and I will be your teacher for the 2019-2020 school year. This is the first time Chino High has ever had this program, so this will be a very special year! Below you will find certain tasks that need to be accomplished before the start of the school year. If these are not completed, you risk the chance of being dropped from the program and will have to re-enroll next year.

Summer Tasks

Task 1: Remind 101

Sign up for the Remind 101 group. This ensures we all stay in contact with one another over the summer.

Task 2: Map Packet

Complete the map packet given to you at the end of last year. You will need to know these locations before school starts. There will be a test on them the Friday we come back from summer break.

Task 3: Materials

Watch the video I have uploaded on the materials you will need to be successful in this class. Most of these items should be purchased over the summer. You must have them the 2nd day of class.

Task 4: APHUG Notebook

You will need to complete a title page for your AP Human Geography Notebook (see task 3 if this does not make sense). Since I do not know many of you, create a title page for your notebook with fascinating information and pictures about yourself. This can include hobbies and where you have traveled. The design is totally up to you, but it must have your name clearly legible for me and others to see.

Task 5: 5 Themes of Geography

Complete the 5 Themes of Geography guided notes page. You will need to print out the worksheet or hand write it (found below). After printing the worksheet, follow along with the PowerPoint posted at this link: <http://www.sjsu.edu/people/wendy.thowdis/courses/GEO123/s2/5-Themes-PPt.pdf>

Task 6: Rest

After you have completed tasks 1-4, get some rest! We will be working hard this next year. If you are bored this summer, browse YouTube for videos on the subject. If you find an interesting one, send me an email and I will probably use it in class!

AP HUMAN GEOGRAPHY- 5 THEMES OF GEOGRAPHY

INSTRUCTOR: MR. LENTZ

SUMMER TASKS

Directions: These are called *Guided Notes* in my class. You will be getting use to them before starting my class. To get ahead of the AP schedule, you will be focusing on the 5 major themes we will find in geography this semester.

Five Major Themes:

- _____
- _____
- _____
- _____
- _____

Location: Where are we?

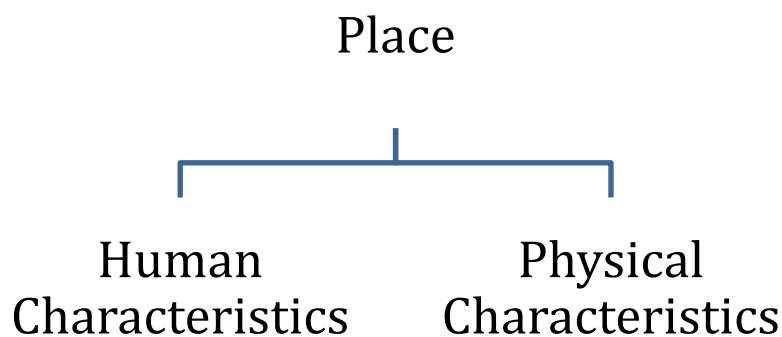

Absolute: _____

Personal example: _____

Relative Location: _____

Personal Example: _____

Place: What is it like there, what kind of place is it?

Give an example of both: _____

Human-Environment Interaction: How do humans interact with the environment.

How?	Definition/Example

Movement: How are people, goods, ideas moved from place to place?

Human Movement: _____

Information Movement: _____

Idea Movement: _____

Regions: How are Regions similar to and different from other places?

Type of Region	Definition	Picture

Your Family Using the 5 Themes of Geography (follow the directions on the last slide)
