

Quick Reference Guide - Accessing and Setting up *myPerspectives*

Chino Valley enVisionMath and *myPerspectives* teachers can access / set-up both programs by following the instructions provided below.

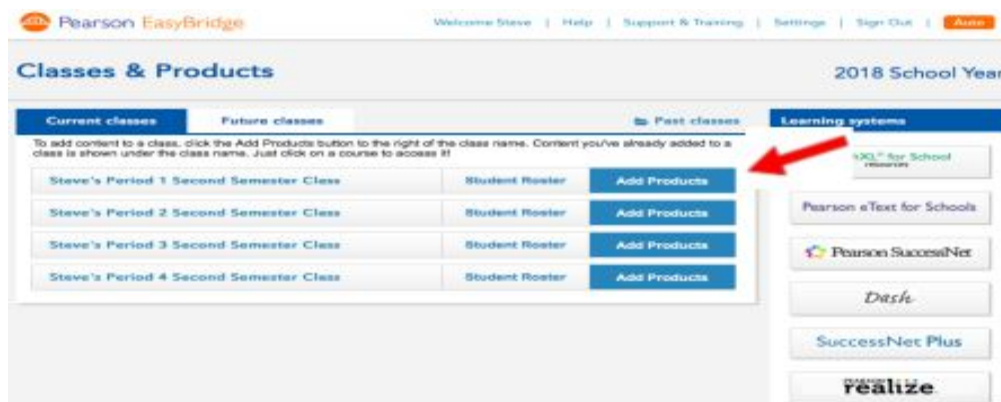

1. In the Chrome browser, navigate to my.classlink.com
2. Login with your District credentials and click **Sign-in**

3. On the next page, click on **Pearson Easybridge Icon**

4. Once in Pearson EasyBridge, click **Add Product** next to the class you want to add the *enVisionMath* or *myPerspectives* program to

5. In the **Search box**, type in *enVisionMath* / *myPerspectives* (NOTE: All one word). Check the box by the appropriate Title / Grade Level and click **Save** to attach the program to your class. If appropriate, repeat the process for each of your classes.

Add Products - Steve's Period 1 First Semester Class [X]

Available Products

Platform: All learning systems Product Name:

Product Name	Platform(s)
<input type="checkbox"/> myPerspectives ELA California Grade 10	Realize
<input type="checkbox"/> myPerspectives ELA California Grade 11	Realize
