

## School-Parent Compact

### What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction in a safe and supportive learning environment
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

### SIX TYPES OF PARENT ENGAGEMENT

- PARENTING
- COMMUNICATING
- VOLUNTEERING
- LEARNING AT HOME
- DECISION MAKING

## Shared Responsibility for Learning

### In the Classroom

The fifth grade team will work with students and their families to support students' success. Some of our key ways to connect our classroom instruction and best practices with the school goals will be to:

- Use academic videos to support and enhance lessons
- Use informational and narrative texts during instruction
- Utilize close reading strategies and Depth of Knowledge questions to enhance reading comprehension
- Use a variety of graphic organizers during instruction
- Provide small group instruction in both ELA, Math, and Designated ELD
- Utilize a variety of student groupings: small groups, pair share, and other partnering strategies
- Use Step Up to Writing strategies
- Provide opportunities for students to use textual evidence to support writing and reasoning
- Use of dynamic projects using multiple disciplines to promote cross-curricular thinking
- Integrate technology into instruction across the curriculum
- Provide intervention and enrichment activities
- Support the character education program
- Support No Excuses University through our classroom universities

### At Home

Here are some ideas of how families can support students' success:

- Support your child in studying math facts
- Review homework nightly
- Have your child read 20 minutes daily and ask them questions about their reading
- Model a love of reading at home
- Promote and encourage the use of Accelerated Reader (AR)
- Support your child in using educational websites: IXL, All the Right Type, and Khan Academy, xtramath.org (see school website)
- Help your child prepare for tests
- Attend ELAC (English Language Advisory Council) Meetings
- Attend school-wide events and conferences
- Have your child wear his/her college t-shirt on Mondays
- Look through Rustler folder every Monday
- Stay in communication with your child's teacher
- Talk to your child every day; ask about their day at school
- Visit college campuses and discuss college bound plans and future goals
- Demonstrate a positive attitude about education

***If you would like to volunteer, participate in, and/or observe a classroom, don't hesitate to ask!***
