ADVISORY COMMITTEE

Chino Valley Unified School District is seeking committee members interested in providing input regarding our District's Local Control and Accountability Plan (LCAP). The voice of the committee is important in making sure we are meeting the needs of all students and especially the needs of our English learners, foster youth, and low-income students.

The committee includes parents/guardians and community members with an emphasis on those who represent English learners, foster youth, and low-income. Members are asked to offer feedback on progress made toward meeting our LCAP goals.

We ask our committee members to be available for the dates and times provided to give our District an opportunity to collect their valuable input.
