INSTRUCTIONS TO BIDDERS

WARNING:

READ THIS DOCUMENT CAREFULLY. DO NOT ASSUME THAT IT IS THE SAME AS OTHER SIMILAR DOCUMENTS YOU MAY HAVE SEEN, EVEN IF FROM THE SAME DISTRICT

1. Preparation of Bid Proposal. The DISTRICT invites proposals on the form attached to be submitted at the time and place stated in the Notice Inviting Proposals. Proposals shall be submitted on the prescribed Proposal forms, completed in full. All proposal items and statements shall be properly filled out. Numbers shall be stated both in words and in figures where so indicated, and where there is a conflict in the words and the figures, the words shall govern. The signatures of all persons signing the bid shall be in longhand. Prices, wording and notations must be in ink or typewritten. Erasures or other changes shall be noted over by signature of the bidder.

2. Form and Delivery of Proposals. The proposal shall be made on the Bidding Schedule provided, and the complete proposal, together with any and all additional materials as required by the Contract Documents, shall be enclosed in a sealed envelope, addressed and delivered or mailed to the Chino Valley Unified School District, Purchasing Department, mailing address: 5130 Riverside Drive, Building #6, Chino, California 91710, and must be received on or before the time set forth in the Notice Inviting Proposals. The envelope shall be plainly marked in the upper left-hand corner with the bidder's name, the Contract designation and the date and time for the receipt of proposals. It is the bidder's sole responsibility to ensure that their proposal is received prior to the scheduled closing time for receipt of proposals. In accordance with Government Code Section 53068, any bid received after the scheduled closing time for receipt of proposals shall be returned to the bidder unopened.

3. Signature. The Bid Proposal, the Agreement, and all other documents required to be signed by the bidder must be signed in the name of the bidder and must bear the signature of the person or persons duly authorized to sign the proposal. If bidder is a corporation, the legal name of the corporation shall first be set forth, together with two signatures: one from among the chairman of the board, president or vice president and one from among the secretary, chief financial officer, or assistant treasurer. Alternatively, the signature of other authorized officers or agents may be affixed, if duly authorized by the corporation. Such documents shall include the title of such signatories below the signature and shall bear the corporate seal. If bidder is a joint venture or partnership, there shall be submitted with the proposal, certifications signed by authorized officers of each of the parties to the joint venture or partnership, naming the individual who shall sign all necessary documents for the joint venture or partnership and, should the joint venture or partnership be the successful bidder, the individual who shall act in all matters relative to the Contract resulting therefrom for the joint venture or partnership. If bidder is an individual, his/her signature shall be placed on such documents.

4. Modifications. Changes in or additions to the proposal form, recapitulations of the work proposed upon, alternative proposals, or any other modification of the proposal form which is not specifically called for in the Contract Documents may result in the DISTRICT'S rejection of the proposal as not being responsive to the invitation to bid. No oral or electronic modification of any bid submitted will be considered.

5. Erasures, Inconsistent or Illegible Bids. The proposal submitted must not contain any erasures, interlineations, or other corrections unless each such correction creates no inconsistency and is suitably authenticated by affixing in the margin immediately opposite the correction the signature or signatures of the person or persons signing the proposal. In the event of inconsistency between words and figures in the bid price, words shall control figures. In the event the DISTRICT determines that any proposal is unintelligible, inconsistent or ambiguous, the DISTRICT may reject such bid as not being responsive to the invitation to bid.

6. Examination of Contract Documents. At its own expense and prior to submitting its proposal, each bidder shall examine the Contract Documents; familiarize itself with all Federal, State and local laws, ordinances, rules, regulations and codes affecting the performance of the Proposal; determine the character, quality, and quantities of the equipment, materials and/or supplies to be provided; and correlate its observations, investigations, and determinations with the requirements of the Contract Documents. The bidder submitting the request shall be responsible for its prompt delivery. Any interpretation or correction of the Contract Documents will be made only by addendum duly issued by the DISTRICT, and a copy of such addendum will be mailed or delivered to each bidder receiving a set of the Contract Documents. No person is authorized to make any oral interpretation of any provision in the Contract Documents, nor shall any oral interpretation be binding on the DISTRICT. Requests for clarification or explanation of the Contract Documents, including specifications and drawings, if any, should be submitted to DISTRICT by email, no later than the seventh calendar day preceding the date set for submission of proposals. If discrepancies on specifications and/or drawings are not covered by addenda, bidder shall include in the proposal the method resulting in the higher bid. Bidder shall become familiar with the specifications and drawings, if included in the Contract Documents. Submittal of a proposal without clarifications shall be incontrovertible evidence that the bidder has determined that the specifications and drawings, if any, are sufficient for bidding and completing the Proposal; that bidder is capable of reading, following and completing the Proposal in accordance with the Contract Documents; and that any specifications and drawings that are part of the Contract Documents fall within an acceptable standard for specifications and drawings.

The Bidder assumes exclusively the responsibility for the acts of its employees as they relate to the services to be provided during the course and scope of their employment. The Bidder, its agents and employees shall not be entitled to any rights or privileges of the DISTRICT employees and shall not be considered in any manner to be DISTRICT employees.

26. Bidder Claims. If the Bidder shall claim compensation for any damage sustained due to the acts of the DISTRICT or its agents, the Bidder shall, within five (5) days after sustaining such damage, make to the DISTRICT a written statement of the damage sustained. On or before the fifteenth (15th) day of the month succeeding that in which such damage shall be been sustained, the Bidder shall file with the DISTRICT an itemized statement of the details and amount of such damage, and unless such statement shall be made as thus required, the Bidder's claims for compensation shall be forfeited and invalidated and it shall not be entitled to consideration for payment on account of any such damage.

27. Non-Conforming Equipment and Supplies.

(a) The Bidder shall promptly remove from the premises all equipment or supplies delivered by the Bidder and identified by the DISTRICT as failing to conform to the Contract, whether incorporated or not. 29. No Waiver. The failure of the DISTRICT in any one or more instances to insist upon strict performance of any of the terms of the Contract or to exercise any option herein conferred shall not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon any such terms or option on any future occasion.

30. Laws to be Observed. The Contractor shall keep himself fully informed of all existing and future State and Federal laws and county and municipal ordinances and regulations which in any manner affect those engaged or employed in the work, or the materials used in the work, or which in any way affect the conduct of the work, and of all such orders and decrees of bodies or tribunals having any jurisdiction or authority over the same.
