

# ANNA BORBA ELEMENTARY SCHOOL NEWSLETTER March 2019

Testing!

Dear Parents,

It is State testing time!! The California Assessment of Student Performance and Progress (CAASPP) begins the week of March 18th and will run through May 10th. These tests are taken by students in grades 3 through 6 and they measure how much the students have learned this school year. Each grade level/class will have assigned dates and times for each test and will vary from day to day. Please discuss these tests with your son/daughter to help prepare them to do well and to put forth his/her best efforts. Other ways you can support your son/daughter's success is to make sure they get a good night's rest, arrive at school on time each day ready to learn, and that he/she has had a good breakfast to start the day. Please note: if your child arrives at school late and their class has already started testing, they will need to stay in the office until testing is completed for the morning. Together, we can support and encourage all our students to do their very best on these tests and in all tasks.

Sincerely,  
Gerson Renderos,  
Principal
