

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement
- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate about student progress
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom

Our Goals for Student Achievement

District Goals - Local Control Accountability Plan (LCAP)

All students are provided a high-quality teaching and learning environment.

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

All students are prepared for college and career beyond graduation.

School Goals

GOAL 1: All teachers will be provided professional development in the area of Professional Learning Communities and common formative assessments.

GOAL 2: Increase the positive school climate, engagement, attendance, and suspension rate through implementation of School Wide Positive Behavior Intervention and Supports and 2nd Step curriculum to maintain Tiers I & II implementation and score 70% in Tier III.

GOAL 3: All students will be provided support and services to increase the number of students scoring meets/exceeds standards by 3% in ELA and 3% in math for grades 4-6 as measured on the 2023 SBAC. By year end, as a result of high quality, Designated ELD and Integrated ELD instruction, English learner students will increase their English language proficiency by 1 level in preparation for reclassification and successful completion of the CAASPP.

Our school provides high quality curriculum and instruction in supportive and effective classroom environments to enable students to meet state academic standards. We support our students and work hard to provide a welcoming, safe school environment.
