

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement
- **Focus** on student learning skills
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate about student progress
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom

Our Goals for Student Achievement

All students are provided a high-quality teaching and learning environment.

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

All students are prepared for college and career beyond graduation.

School Goals

The administration will collaborate to complete monthly classroom walkthroughs to view learning intentions, success criteria, student engagement, and a positive learning environment.

GOAL 2: Eagle Canyon will score a 2 out of 2 on the Tier I TFI feature 1.11 by including feedback from Champions employees, PE Coaches, and the San Bernardino County classroom teachers to ensure stakeholder involvement at all levels.

GOAL 3: On the 2023 CAASPP, the percent of students scoring "Standards Met" and "Standards Exceeded" (combined) in ELA will increase from 71% to 74% and in Math will increase from 64% to 67%.
