## WELCOME TO BST!

As the summer comes to a close and we prepare to engage in meaningful learning experiences, I want to take this opportunity to welcome you to the 2023/2024 school year at the Biomedical Science and Technology Academy. The start of the year is always an exciting time, and this year it is especially exhilarating as we prepare to welcome the Class of 2027!

The Biomedical Science and Technology Academy is Chino Valley Unified School District's distinguished magnet program. Through cutting-edge curriculum and resources, hands-on experiences, and a culture of i3, innovation, investigation, and invention, we foster lifelong learners who embrace scientific inquiry and technological advancement. As a member of the BST community, you are critical in supporting this vision.

I am delighted that you are part of our amazing community. BST scholars, I know you will find the academic and personal satisfaction that comes with learning from supportive faculty and interacting with engaged peers. BST families, I welcome and value your positive energy and dedication as we partner to provide the BeST experience possible for our students.

I am eager to embark on a rich and rewarding year ahead!

Sincerely,

Ashley Davis  
Assistant Principal  
Biomedical Science and Technology Academy

# ANNOUNCEMENTS

---

## **BST REGISTRATION 2023/2024**

Prior to coming to in-person registration, please complete Aeries Data Confirmation. This can be done by logging into your [Aeries Parent Portal](#) account. Click the 'Student Information' tab, then choose 'Data Confirmation' from the drop-down menu. Follow the prompts in the left-hand column to complete your online registration. Aeries Parent Portal is linked [here](#) and can also be accessed on the [BST website](#).

BST Class of 2027 Freshmen: Please bring your Chromebook and charger to registration. This device should be the one issued to you in junior high school or one that was issued to you for use during Summer Bridge. You will be returning this device and issued a new device for use during the school year.

## **FALL COURSE SCHEDULES**

Course schedules detailing course periods, teachers, and classrooms will be available for students via the [Aeries Student Portal](#) starting August 5th. Be sure to save and/or print a copy for the first day of school!

## **BST WEBSITE & SOCIAL MEDIA**

Check our [website](#) and follow us on [Facebook](#) and [Instagram](#) to stay connected. Important dates are calendared on the website and BST Student Ambassadors have some fun social media campaigns in the works!
