

Welcome to Third Grade! The first day of school will be Monday, August 7th.

One enjoyable back to school activity for children is to go shopping for brand new school supplies. They love browsing the store aisles and proudly bringing to school their brand-new school supplies.

Attached is the ***suggested school supply list*** that your child will need this academic year. Throughout the school year, ask your child how his/her school supplies are holding, and please keep their pencil box stocked. Our recommendation is for you to take advantage of the back-to-school sales and stock up.

In school, we will supply the following: agenda, writing journal, ruler, construction paper, paints, liquid glue, art and craft materials. We will also keep "loaner" pencils, scissors, and a large basket of old crayons.
