

Welcome to Aeries Online Enrollment

Chino Valley Unified School District

Anna Borba is a School of Choice. **ALL new** students must apply for an Intra district transfer from their 'home/assigned' school (which is determined by your address) to attend Anna Borba. Transfer applications are taken at the Student Support Services office located @ 13453 Ramona Ave., Chino, CA. Once a transfer has been submitted, the student will be placed on a waiting list. If space becomes available, parents will be contacted by the Anna Borba Registrar to approve the transfer and to explain the next steps in the transfer process.

Be sure to enroll your child at his/her home school while waiting for transfer approval.

ALL online enrollments are done *through your child's home school*. If your child is approved for a transfer to Anna Borba, once the online enrollment is complete and all required documentation has been verified, the Registrar at Anna Borba will pull your child's enrollment from his/her home school into the Anna Borba database.

To find your "home" school go to:

<http://apps.schoolslocator.com/index.html?districtCode=58952>

The Aeries Online Enrollment "web-based" application allows you to quickly start the process of registering a new student (never enrolled w/ Chino Valley USD - CVUSD) into school. Information about the student such as emergency contacts, medical and language information will be collected.

To get started registering a new student click <https://aeriesweb.chino.k12.ca.us/air/>

Click on "Enroll New Student"

**Please make sure you choose the correct school year
for enrollment.**
